#### Mission

To provide a higher quality of life for Memphis residents by systematically and strategically alleviating blight and educating and engaging communities in partnerships that result in a cleaner safer Memphis.

# Structure

#### Services

The Division of Community Enhancement works to promote a clean, secure City of Memphis. The Division is made up of three service areas. Grounds Maintenance/Street Sweeping helps Memphis retain the image of a beautiful, clean city through our efforts to control weeds on City rights-of-way, interstates, vacant lots, lots with vacant houses and to make downtown a greener and cleaner place. City Beautiful provides leadership in educating and engaging Memphians toward beautification and environmental improvement to establish an environmentally responsible city one that is clean, litter free and attractive. Code Enforcement works to eliminate slum and blight conditions throughout the City by vigorously enforcing housing code violations while

maintaining safety, health and environmental standards for the community and the Citizens of Memphis.

### Issues & Trends

The Division of Community Enhancement continues to focus on improving the quality of life for its citizens through a constant effort to beautify the city and eradicate blight. The Division continues to combat community cleanliness with street sweeping, litter removal and weed control. Partnership with community organizations and other government agencies focus efforts on neighborhood improvements.
