BE IT RESOLVED by the Council of the City of Memphis, Tennessee, as follows:

SECTION 1. Findings and Determinations.

(a) The Council of the City of Memphis, Tennessee (the "Council"), on March 6, 2018, adopted an initial resolution authorizing the issuance of general obligation bonds of the City of Memphis, Tennessee (the "City"), in the maximum principal amount of one hundred fifty million dollars (\$150,000,000) with respect to the issuance of general obligation bonds and bond anticipation notes of the City, as further described therein (the "Initial Resolution").

(b) Pursuant to the Initial Resolution and a resolution adopted by the Council on March 6, 2018 (the "Commercial Paper Resolution"), the City, in October 2018, issued and currently there are outstanding One Hundred Fifty Million Dollars (\$150,000,000) maximum principal amount of General Obligation Commercial Paper (the "Commercial Paper"), maturing on various

dates, for the purposes of financing various public works projects of the City or paying at maturity Commercial Paper theretofore issued for such purpose or to refinance outstanding Commercial Paper.

(c) The City deems it to be in its best interests to provide at this time, by adoption of this resolution, for the issuance of general obligation refunding bonds of the City to currently refund the (i) City's outstanding General Improvement Bonds, Series 2009 (the "Series 2009 Bonds"), (ii) City's outstanding General Improvement Bonds, Series 2010A (the "Series 2010A Bonds"), (iii) City's outstanding General Improvement Refunding Bonds, Series 2010D (the "Series 2010D Bonds") and to (iv) provide for the payment of the principal of \$150,000,000 principal amount of outstanding Commercial Paper at their respective maturities, the interest on the Commercial Paper due upon maturity to be paid from other available moneys of the City. The Series 2009 Bonds, Series 2010A Bonds and the Series 2010D Bonds are referred to collectively as (the "Refunded Bonds").

(d) The City has submitted its plan of refunding of the Refunded Bonds to the Office of State and Local Finance as required by Section 9-21-903 of the Tennessee Code Annotated, as amended ("T.C.A.") and that Office's report thereon has been presented to this Council and considered in adopting this resolution.

SECTION 2. Approval and Authorization of 2020 Bonds. There is hereby authorized to be issued, sold and delivered under the Initial Resolution and this resolution, one or more series of general obligation refunding bonds of the City in the maximum aggregate principal amount of not to exceed Two Hundred Forty Million Dollars (\$240,000,000) to be designated "City of Memphis, Tennessee General Improvement Refunding Bonds, Series 2020" (the "Series 2020 Bonds") for the purpose to (a) fund an escrow account in an amount sufficient, together with other funds of the City to be deposited, to pay principal and interest, when due, on the Refunded Bonds; (b) refinance the City's Bond Anticipation Notes (the "Outstanding Notes"); and (c) pay certain costs of issuance on the Series 2020 Bonds.

SECTION 3. Certain Details of 2020 Bonds. The Series 2020 Bonds, or such portion thereof as shall be determined by the Chief Financial Officer of the City (the "Chief Financial Officer"), shall be sold at one time or from time to time on a date or dates to be selected by the Chief Financial Officer. The Series 2020 Bonds of each series shall be numbered from R-1 upwards in order of issuance. The Series 2020 Bonds shall be dated as of a date to be determined by the Chief Financial Officer, shall be issued in the denomination of \$5,000 each or any integral multiple thereof, and shall bear interest payable initially and semiannually thereafter in each year on the dates and at the rates per annum, not to exceed 6% per annum, to be determined by the Chief Financial Officer. The Series 2020 Bonds shall mature in serial or term forms in not to exceed thirty (30) years from their dated dates, on the maturity dates and in the amounts to be determined by the Chief Financial Officer.

The Series 2020 Bonds shall be issued only in fully registered form without coupons. One Series 2020 Bond representing each maturity will be issued to and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), as registered owner of the Series 2020 Bonds, and each such Series 2020 Bond shall be immobilized in the custody of DTC. DTC will act as securities depository for the Series 2020

Bonds. Individual purchases will be made in book-entry only form. Purchasers will not receive physical delivery of certificates representing their interest in the Series 2020 Bonds except as provided by Section 4 hereof.

Unless the City agrees otherwise, so long as DTC or its nominee is the registered owner of the Series 2020 Bonds as such securities depository, payments of principal, premium, if any, and interest payments on the Series 2020 Bonds will be made by the City through the Paying Agent and Registrar named below, by wire transfer to DTC or its nominee, Cede & Co., as registered owner of the Series 2020 Bonds, which will in turn remit such payments to the DTC participants for subsequent disbursement to the beneficial owners of the Series 2020 Bonds. Transfer of principal, premium, if any, and interest payments to DTC participants will be the responsibility of DTC. Transfers of such payments to beneficial owners of the Series 2020 Bonds by DTC participants will be the responsibility of such participants and other nominees of such beneficial owners. Transfers of ownership interests in the Series 2020 Bonds will be accomplished by book entries made by DTC and, in turn, by the DTC participants who act on behalf of the indirect participants of DTC and the beneficial owners of the Series 2020 Bonds.

The City will not be responsible or liable for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC, its participants or persons acting through such participants or for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owner of the Series 2020 Bonds.

Regions Bank is hereby appointed as Paying Agent and Registrar for the Series 2020 Bonds (the "Paying Agent and Registrar").

SECTION 4. Procedure in the Event of Revision of Book-Entry Transfer System Replacement Bonds. The City shall issue Series 2020 Bond certificates (the "Replacement Bonds") directly to the beneficial owners of the Series 2020 Bonds other than DTC, or its nominee, but only in the event that:

(a) DTC determines to discontinue providing its services with respect to the Series 2020 Bonds at any time by giving notice to the City and discharging its responsibilities; or

(b) the City discontinues use of DTC (or substitute depository or its successor) at any time upon determination by the City that the use of DTC (or substitute depository or its successor) is no longer in the best interests of the City and the beneficial owners of the Series 2020 Bonds, subject to applicable procedures of DTC. The City and the Paying Agent and Registrar may rely upon information provided by DTC, DTC participants or other nominees of beneficial owners, or beneficial owners with respect to the names, addresses and amounts owned by the beneficial owners and other information supplied by them for the purpose of delivering the Replacement Bonds.

Upon occurrence of the events described in either (a) or (b) above, the City shall attempt to locate another qualified securities depository. If the City fails to locate another qualified securities depository to replace DTC, the City shall execute and deliver Replacement Bonds in substantially the form set forth in Section 11 hereof. Such Replacement Bonds shall bear thereon a certificate of authentication in the form set forth in Section 11 hereof executed manually by an

authorized officer of the Paying Agent and Registrar as registration agent for the City. Only such Series 2020 Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under this resolution and no Series 2020 Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by an authorized officer of the Paying Agent and Registrar. Any such certificate of the Paying Agent and Registrar upon any Series 2020 Bond executed on behalf of the City shall be conclusive evidence that the Series 2020 Bond so authenticated has been duly authenticated and delivered under this resolution and that the registered owner of such Series 2020 Bond is entitled to the benefits and security of this resolution.

Prior to the execution and delivery of Replacement Bonds, the City shall notify the beneficial owners of the Series 2020 Bonds by mailing an appropriate notice to DTC. Principal of and interest on the Replacement Bonds shall be payable by check or draft mailed to each registered owner of such Replacement Bonds at the address of such owner as it appears in the books of registry maintained by the Paying Agent and Registrar. Replacement Bonds will be transferable only by presentation and surrender to the Paying Agent and Registrar, together with an assignment duly executed by the registered owner of the Replacement Bond or by such owner's representative in form satisfactory to the Paying Agent and Registrar and containing information required by the Paying Agent and Registrar in order to effect such transfer.

The City may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to an exchange or transfer of a Series 2020 Bond and may charge the person requesting such exchange or transfer a sum or sums which shall be paid as a condition precedent to the exercise of the privilege of making such exchange or transfer.

SECTION 5. Redemption. Any or all of the Series 2020 Bonds (or portions thereof in installments of \$5,000) may be subject to redemption at the option of the City and, in the case of term Series 2020 Bonds, be subject to mandatory sinking fund redemption, prior to their stated maturities, in whole at any time or in part from time to time; provided, however, that subject to the next proviso, the initial optional redemption date for Series 2020 Bonds shall be no later than May 1, 2030, approximately ten (10) years after the estimated date of delivery thereof and payment therefor; provided further, however, that any Series 2020 Bond also may be made non-redeemable prior to maturity. The redemption provisions for the Series 2020 Bonds, if any, shall be finally determined by the Chief Financial Officer.

If any Series 2020 Bond (or any portion of the principal amount thereof in installments of \$5,000) shall be called for redemption, notice of the redemption thereof, specifying the date, number and maturity of such Series 2020 Bond, the date and place or places fixed for its redemption, the premium, if any, payable upon such redemption, and if less than the entire principal amount of such Series 2020 Bond is to be redeemed, that such Series 2020 Bond must be surrendered in exchange for the principal amount thereof to be redeemed and a new Series 2020 Bond or Series 2020 Bonds will be issued equaling in principal amount that portion of the principal amount thereof not to be redeemed, shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date fixed for redemption by first class mail, postage prepaid, to the registered owner of such Series 2020 Bond at such owner's address as it appears on the books of registry kept by the Paying Agent and Registrar as of the close of business on the

forty-fifth (45th) day preceding the date fixed for redemption; provided, however, that any notice of redemption may state that it is conditioned upon the receipt by the Paying Agent and Registrar of sufficient moneys to pay the redemption price, plus interest accrued and unpaid to the redemption date, or upon satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such redemption price and accrued interest if any such condition so specified is not satisfied or if any other such event occurs. Notice of such rescission shall be given by the Paying Agent and Registrar to affected registered owners of Series 2020 Bonds as promptly as practicable upon the failure of such condition or the occurrence of such other event and shall be given in the same manner as the notice of redemption was given.

If notice of the redemption of any Series 2020 Bond shall have been given as aforesaid, and payment of the principal amount of such Series 2020 Bond (or the portion of the principal amount thereof to be redeemed) and of the accrued interest and premium, if any, payable upon such redemption shall have been duly made or provided for, interest on such Series 2020 Bond shall cease to accrue from and after the date so specified for redemption thereof. The failure of any registered owner to receive any such mailed notice shall not affect the sufficiency or validity of the proceedings for the redemption of the related Series 2020 Bonds.

Notwithstanding the foregoing, so long as the Series 2020 Bonds are registered in the name of DTC or its nominee for purchase in book-entry only form, (i) any notice of redemption or of rescission of conditional notice of redemption will be given only to DTC or its nominee, (ii) notice of redemption given to DTC or its nominee may be given at such time and in such manner as is required by the operational procedures of DTC or its nominee, (iii) the selection of beneficial ownership interests in the Series 2020 Bonds to be redeemed within a maturity may be determined in accordance with such procedures, and (iv) the City shall not be responsible for providing any beneficial owner of the Series 2020 Bonds with any such notice.

The Series 2020 Bonds may be made subject to purchase in lieu of redemption as determined by the Chief Financial Officer.

SECTION 6. Security. The full faith and credit and unlimited taxing power of the City as to all taxable property in the City are hereby pledged to the punctual payment of the principal of and interest on the Series 2020 Bonds. In accordance with the provisions of the Tennessee Code Annotated (“T.C.A.”) Section 9-21-215, it is hereby recited that adequate provision will be made for raising annually by tax upon all property subject to taxation by the City of a sum sufficient to pay the interest on and principal of the Series 2020 Bonds as the same shall become due. The City hereby agrees that a tax sufficient to pay when due such principal and such interest shall be levied annually and assessed, collected and paid in like manner with the other taxes of the City and shall be in addition to all other taxes authorized or limited by law. This resolution shall be deemed to be the tax resolution required to be adopted in respect of the Series 2020 Bonds under T.C.A. Section 9-21-215.

It is the duty of the Council to include in the annual levy a tax sufficient to pay the principal of and interest on the Series 2020 Bonds as the same become due. If any part of the principal of or interest on any of the Series 2020 Bonds are not paid when due, there shall be levied and assessed by the Council and collected by the proper collecting officers at the first

assessment, levy and collection of taxes in the City after such omission or failure, a tax sufficient to pay the same.

SECTION 7. Execution and Authentication of 2020 Bonds. The Series 2020 Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor of the City and of the Comptroller of the City and shall have impressed or imprinted thereon or affixed thereto, by facsimile or otherwise, the official seal of the City. In case any officer of the City whose signature or whose facsimile signature shall appear on the Series 2020 Bonds shall cease to be such officer before the delivery of such Series 2020 Bonds, such signature or the facsimile signature thereof shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The Series 2020 Bonds shall bear thereon a certificate of authentication in the form set forth in Section 11 hereof executed manually by an authorized officer of the Paying Agent and Registrar. No Series 2020 Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by an authorized officer of the Paying Agent and Registrar.

SECTION 8. Payment of 2020 Bonds; Books of Registry; Exchanges and Transfers of 2020 Bonds.

(a) Payment of the Series 2020 Bonds.

(i) At any time during which the Series 2020 Bonds shall be in fully registered form, the interest on the Series 2020 Bonds shall be payable by wire transfer or by check or draft mailed by the Paying Agent and Registrar to the registered owners of the Series 2020 Bonds at their addresses as the same appear on the books of registry as of a record date determined by the Chief Financial Officer, and the principal of and premium, if any, on the Series 2020 Bonds shall be payable at the principal office of the Paying Agent and Registrar or any other office of the Paying Agent and Registrar designated for such purpose; provided, however that at any time during which the Series 2020 Bonds shall be in book-entry only form, the principal of and premium, if any, and interest on the Series 2020 Bonds shall be payable in accordance with the provisions of Section 3 hereof.

(ii) The principal of and premium, if any, and interest on the Series 2020 Bonds shall be payable in such coin or currency of the United States of America as at the respective dates of payment is legal tender for public and private debts.

(b) Books of Registry; Exchanges and Transfers of 2020 Bonds.

(i) At all times during which any Series 2020 Bond remains outstanding and unpaid, the Paying Agent and Registrar shall keep or cause to be kept, at its principal office or any other office of the Paying Agent and Registrar designated for such purpose, books of registry for the registration, exchange and transfer of the Series 2020 Bonds. Upon presentation at the principal office of the Paying Agent and Registrar or any other office of the Paying Agent and Registrar designated for such purpose, the Paying Agent and Registrar, under such reasonable regulations as it may prescribe, shall register, exchange, transfer, or cause to be registered, exchanged or transferred, on the books of registry the Series 2020 Bonds as herein set forth.

(ii) Any Series 2020 Bond may be exchanged for a like aggregate principal amount of such Series 2020 Bonds in authorized principal amounts of the same interest rate and maturity.

(iii) Any Series 2020 Bond may, in accordance with its terms, be transferred upon the books of registry by the person in whose name it is registered, in person or by his duly authorized agent, upon surrender of such Series 2020 Bond to the Paying Agent and Registrar for cancellation, accompanied by a written instrument of transfer duly executed by the registered owner in person or his duly authorized agent, in form satisfactory to the Paying Agent and Registrar.

(iv) All transfers or exchanges pursuant to this Section 8(b) shall be made without expense to the registered owner of such Series 2020 Bond, except as otherwise herein provided, and except that the Paying Agent and Registrar shall require the payment of the registered owner of the Series 2020 Bond requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange. All Series 2020 Bonds surrendered pursuant to this Section 8(b) shall be canceled.

SECTION 9. CUSIP Identification Numbers. CUSIP identification numbers may be printed on the Series 2020 Bonds, but neither the failure to print any such number on any Series 2020 Bond, nor any error or omission with respect thereto, shall constitute cause for failure or refusal by the purchaser of the Series 2020 Bonds to accept delivery of and pay for the Series 2020 Bonds in accordance with the terms of its proposal to purchase the Series 2020 Bonds. No such number shall constitute or be deemed to be a part of any of the Series 2020 Bonds or a part of the contract evidenced thereby, and no liability shall attach to the City or any of its officers or agents because of or on account of any such number or any use made thereof.

SECTION 10. Tax Covenant. The City covenants and agrees to comply with the provisions of Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended, and the applicable Treasury Regulations promulgated thereunder or otherwise applicable thereto, in each case whether prospective or retroactive, that must be satisfied in order that interest on the 2020 Bonds shall be and continue to be excluded from gross income for federal income tax purposes under said Sections 103 and 141 through 150.

SECTION 11. Form of 2020 Bonds. The 2020 Bonds shall be in substantially the form set forth below with such necessary or appropriate variations, omissions and insertions as are incidental to their series, numbers, interest rates and maturities or as are otherwise permitted or required by law or this resolution:

UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF DTC TO THE PAYING AGENT AND REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR SUCH OTHER NAME AS REQUIRED BY AN AUTHORIZED REPRESENTATIVE OF DTC AND ANY PAYMENT IS MADE TO CEDE & CO., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSONS IS WRONGFUL SINCE THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

The failure of the Registered Owner to receive any such mailed notice shall not affect the sufficiency or validity of proceedings for the redemption of this Series 2020 Bond.]

Notwithstanding the foregoing, so long as the Series 2020 Bonds are registered in the name of a securities depository for purchase in book-entry only form, (i) any notice of redemption or of rescission of conditional notice of redemption will be given only to the securities depository or its nominee, notice of redemption given to the securities depository may be given at such time and in such manner as is required by their operational procedures, (ii) the

The full faith, credit and unlimited taxing power of the City as to all taxable property in the City are hereby irrevocably pledged to the punctual payment of the principal of and interest on this Series 2020 Bond as the same become due. In the resolution hereinabove referred to adopted on [March 17, 2020], it is recited that adequate provision will be made for raising annually by tax upon all property subject to taxation by the City of a sum sufficient to pay the interest on and principal of this Series 2020 Bond as the same shall become due.

This Series 2020 Bond shall not be valid or obligatory for any purpose until the Certificate of Authentication hereon shall have been signed by the Paying Agent and Registrar.

The Chief Financial Officer also is hereby authorized to prepare or cause to be prepared, and distribute or cause to be distributed, and the Mayor or Chief Financial Officer is hereby authorized to execute, an Official Statement, relating to the Series 2020 Bonds (the "Official Statement") in substantially the form of the Preliminary Official Statement as so modified, after the same has been completed by the insertion of the maturities, interest rates, and other details of the Series 2020 Bonds and by making such other insertions, changes or corrections as the Chief Financial Officer, based on the advice of counsel (including the Chief Legal Officer/City Attorney, Co-Bond Counsel and Co-Disclosure Counsel) and the City's Co-Financial Advisors, deem necessary or appropriate, such approval to be conclusively evidenced by the execution thereof; and the Council hereby authorizes the Preliminary Official Statement and the Official Statement and the information contained therein to be used by the initial purchasers in connection with the sale of the Series 2020 Bonds.

A Continuing Disclosure Agreement between the City and Digital Assurance Disclosure, L.L.C., as disclosure dissemination agent ("DAC"), substantially in the form described in the Preliminary Official Statement (as the same may be amended pursuant to the terms thereof, the "Continuing Disclosure Agreement"), is hereby authorized to be executed and delivered by the Mayor, upon consultation with the Chief Financial Officer. The form of the Continuing Disclosure Agreement as executed and delivered may include such changes as shall be approved by such officers, upon the advice of counsel (including the Chief Legal Officer/City Attorney, Co-Bond Counsel and Co-Disclosure Counsel), which approval shall be conclusively evidenced by the execution thereof.

Upon termination of DAC's services as disclosure dissemination agent under the Continuing Disclosure Agreement, the City agrees to appoint a successor disclosure dissemination agent under a successor continuing disclosure agreement, the execution and delivery of which by the Mayor, upon consultation with the Chief Financial Officer and advice

of counsel (including the Chief Legal Officer/City Attorney, Co-Bond Counsel and Co-Disclosure Counsel), is hereby authorized, to assume substantially the same responsibilities or, alternately, agrees to assume all disclosure responsibilities of DAC or the entity then serving as disclosure dissemination agent under such Continuing Disclosure Agreement. For purposes of the next paragraph, any such successor agreement or assumption of responsibilities by the City also shall be deemed to be a "Continuing Disclosure Agreement."

The City covenants with the holders from time to time of the Series 2020 Bonds that it will, and hereby authorizes the appropriate officers and employees of the City to take all action necessary or appropriate to, comply with and carry out all of the provisions of the Continuing Disclosure Agreement as amended from time to time. Notwithstanding any other provision of this resolution, failure of the City to perform in accordance with the Continuing Disclosure Agreement shall not constitute a default under this resolution and the Continuing Disclosure Agreement may be enforced only as provided therein.

SECTION 13. Refunding Trust Agreement; Appointment of Refunding Trustee; Authorization of Purchase of Securities; Redemption of the Refunded Bonds.

(a) The form of the Refunding Trust Agreement (the "Refunding Trust Agreement"), and the terms, conditions, and provisions thereof, are hereby approved, ratified and confirmed by the Council, and the Mayor is hereby authorized and directed to execute and deliver the Refunding Trust Agreement in such form, together with such changes as shall be approved by the Mayor, upon the advice of counsel (including the Chief Legal Officer/City Attorney, Co-Bond Counsel and Co-Disclosure Counsel) and the City's Co-Financial Advisors, such approval to be conclusively evidenced by the execution thereof. There shall be transferred to the Refunding Trustee designated below from the City's debt service fund, such amounts, if any, as shall be determined by the Chief Financial Officer, on credit to such fund attributable to the Series 2009 Bonds, the Series 2010A Bonds and the Series 2010D Bonds, as applicable, for deposit into the applicable Refunding Trust Fund created and established under the applicable Refunding Trust Agreement (the "Refunding Trust Fund").

(c) The Refunding Trustee is hereby authorized to purchase from moneys deposited in the Refunding Trust Fund direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States or obligations of any agency or instrumentality of the United States as referred to in the Refunding Trust Agreement. Such securities so purchased shall be held by the Refunding Trustee under and in accordance with provisions of the Refunding Trust Agreement. SECTION 14. Application of Proceeds of Sale of 2020 Bonds. Proceeds of the sale of the Series 2020 Bonds shall be applied as follows:

(a) Accrued interest received on the Series 2020 Bonds, if any, from their dated date to the date of delivery of and payment for the Series 2020 Bonds shall be applied to the payment of interest on the Series 2020 Bonds on the first interest payment date thereof;

(b) The amount of \$150,000,000 shall be deposited in the Commercial Paper Fund established under the Commercial Paper Resolution and shall be used to pay the principal of a like principal amount of outstanding Commercial Paper, including interest thereon, at their respective maturities.

(c) The balance of the proceeds of the Series 2020 Bonds shall be deposited into the applicable Refunding Trust Fund and shall be disbursed solely to pay costs of redemption to currently refund the (i) Series 2009 Bonds, (ii) Series 2010A Bonds and (iii) Series 2010D Bonds in the respective Refunding Trust Funds established under the Refunding Trust Agreement and shall be used to currently refund and pay the principal and interest earned to the date of redemption for the outstanding Series 2009 Bonds, Series 2010A Bonds and Series 2010D Bonds at their respective maturities. The Chief Financial Officer shall be authorized to amend the budget of the Debt Service Fund to account for any changes made in compliance with this section.

(d) The funds shall be invested as directed by the Chief Financial Officer in such investments as shall be permitted by applicable law and the earnings thereon shall be applied to the purposes described above. Any funds remaining following the refunding of the Refunded Bonds and refinancing of the Outstanding Notes shall be deposited to the applicable City debt service fund to be used to pay debt service on the Series 2020 Bonds.

SECTION 15. Defeasance. If the City shall pay and discharge the indebtedness evidenced by any of the Series 2020 Bonds in any one or more of the following ways, to wit:

(c) By delivering such Series 2020 Bonds to the Paying Agent and Registrar for cancellation; and if the City shall also pay or cause to be paid all other sums payable hereunder by the City with respect to such Series 2020 Bonds, or make adequate provision therefor, and by

resolution of the Council instruct any such Agent to pay amounts when and as required to the Paying Agent and Registrar for the payment of principal of and interest and redemption premiums, if any, on such Series 2020 Bonds when due, then and in that case the indebtedness evidenced by such Series 2020 Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the City to the holders of such Series 2020 Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the City shall pay and discharge the indebtedness evidenced by any of the Series 2020 Bonds in the manner provided in clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Obligations of the United States of America deposited as aforesaid.

Except as otherwise provided in this Section 14, neither the Obligations of the United States of America nor moneys deposited with the Agent pursuant to this Section nor principal or interest payments on any such Obligations of the United States of America shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and premium, if any, and interest on said Series 2020 Bonds; provided, that any cash received from such principal or interest payments on such Obligations of the United States of America deposited with the Agent, (i) to the extent such cash will not be required at any time for such purpose, shall be paid over to the City as received by the Agent and (ii) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Obligations of the United States of America maturing at times and in amounts sufficient to pay when due the principal and premium, if any, and interest to become due on said Series 2020 Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the City, as received by the Agent.

A resolution urging the legislative body and the Tennessee Governor to pass legislation to allow the City of Memphis to receive its total share of the State's sales tax revenues

WHEREAS, since 1947, the City of Memphis has received a portion of the State of Tennessee's sales tax in recognition of the local tax burden borne by city residents that is associated with promoting economic activity and generating State sales tax revenues; and

WHEREAS, for 55 years, 4.6% of all state sales tax revenues were returned to cities for this purpose and in 2002, during difficult budget times, the State increased the sales tax rate from 6% to 7%, taking a great portion of revenues from the city; and

WHEREAS, 17 years later, the crisis is well behind us and the state has enjoyed a period of sustained economic and fiscal prosperity and the State of Tennessee is in a better position of having a surplus; and

WHEREAS, yet during this time of economic prosperity, Memphis and other cities' local revenues have been reduced by more than \$100 million and cities continue to face additional funding burdens including education funding shortfalls, infrastructure investments, debt service payments, and providing the services and amenities necessary to support economic activity.
