WHEREAS, the risks are particularly high for African American citizens. As of May 27, 2020, there was a cumulative total of 4,703 confirmed cases of infection by the COVID-19 virus and 102 deaths in Shelby County, of which over 65% of the confirmed cases and over 68% of deaths were African-American citizens.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF MEMPHIS that the various sections of this ordinance shall upon becoming effective as provided by law shall be and become a new Chapter under Title 9 of the Code of Ordinances and shall read as follows:

Section 1: SHORT TITLE

1.01 This Ordinance shall be known as the “Face Covering/Mask Ordinance.”

Section 2: LEGISLATIVE FINDINGS AND INTENT

2.01 Tennessee General Assembly has declared the State’s policy that safeguarding the life and property of its citizens is an innate responsibility of the governing body of each political subdivision of the state;

2.02 The Council, as the governing body of the City, does hereby find, declare and conclude that it has the power and duty under the City’s Charter:

- 1) to pass all laws to preserve the health of the City;
- 2) to prevent the introduction of contagious diseases within the City; and
- 3) to define, prevent, remove and cause to be abated nuisances within the City;

2.03 The Council, as the governing body of the City, does hereby further find, declare and conclude that it has the power and authority under State statutes to take whatever prudent action is necessary to ensure the health,

safety, and welfare of the community during a declared state of emergency and that this Ordinance is adopted pursuant to State policy and the authority granted it under State statutes and the City's Charter;

2.04 The Council does hereby find and declare that this Ordinance is based on evidence of increasing occurrence of COVID-19 within the City, the State of Tennessee, and the United States of America and on scientific evidence, and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically;

2.05 The Council does hereby find and declare that this Ordinance is also issued in light of the existence, as of May 27, 2020, of a cumulative total of 4,703 confirmed cases of infection by the COVID-19 virus and 102 deaths in Shelby County, of which over 65% of the confirmed cases and over 68% of deaths are African-American citizens;

2.06 It is the intent of this Ordinance:

- A. To help reduce the spread of the COVID-19 virus and mitigate the impact of the virus on members of the public and on the delivery of critical healthcare services to those in need. All provisions of this Ordinance must be interpreted to effectuate this intent.
- B. To ensure that all people who are visiting or working at Essential Businesses and all people who are seeking care at healthcare facilities or engaged in certain types of public transit or transportation with others wear a Face Covering to reduce the likelihood that they may transmit or receive the COVID-19 virus.
- C. To ensure that people who work for or seek services from entities engaged in Essential Infrastructure work, Minimum Basic Operations, or Essential Government Functions also wear a Face Covering when they are in close proximity to others.
- D. To create environments where employees, customers and members of the public may feel safe in visiting and/or working

in Essential Businesses, Essential Government Functions and Healthcare Operations.

Section 3: REQUIRMENTS FOR WEARING FACE COVERINGS

3.01. GENERAL REQUIRMENT FOR WEARING FACE COVERINGS. Except as specifically exempted herein, Face Coverings shall be worn at all times by all persons when in a public place within the City of Memphis during public health emergencies and/or recognized epidemics or pandemics to prevent the spread of contagious air borne diseases

3.02 SPECIFIC REQUIREMENT FOR WEARING FACE COVERINGS. All members of the public, except as specifically exempted herein, are required to wear a Face Covering outside their home or other place they reside in the following **specific** situations:

- 1) When they are inside of, or in line to enter, any Essential Business including, but not limited to, grocery stores, convenience stores, supermarkets, laundromats, and restaurants;
- 2) When they are inside of, or in line to enter, any Non-Essential Business as defined in this Ordinance.
- 3) When they are inside or at any location or facility engaging in seeking or receiving Essential Government Functions, including but not limited to City Hall or other City buildings and facilities;
- 4) When they are at the entrance to and inside elevators in all public and private buildings;
- 5) When they are engaged in Essential Infrastructure work;
- 6) When they are obtaining services at Healthcare Operations—including hospitals, clinics, COVID-19 testing locations, dentists, pharmacies, blood banks and blood drives, other healthcare facilities, mental health providers, or facilities providing veterinary care and similar healthcare services for animals—unless directed otherwise by an employee or worker at the Healthcare Operation; or

- 7) When they are waiting for or riding on public transportation (including without limitation any bus, MATA, street car or paratransit or are in a taxi, private car service, or ride-sharing vehicle.
- 8) Each driver or operator of any public transportation or paratransit vehicle, taxi, or private car service or ride-sharing vehicle must wear a Face Covering while driving or operating such vehicle, regardless of whether a member of the public is in the vehicle, due to the need to reduce the spread of respirator}' droplets in the vehicle at all times.
- 9) All Essential Businesses, Non-Essential Businesses, as well as entities and organizations with workers engaged in Essential Infrastructure work, or Essential Government Functions (except for Healthcare Operations, which are subject to their own regulation regarding specified face coverings), must:
 - a) Require their employees, contractors, owners, and volunteers to wear a Face Covering at the workplace and when performing work off-site any time the employee, contractor, owner, or volunteer is:
 - i. interacting in person with any member of the public;
 - ii. working in any space visited by members of the public, such as by way of example and without limitation, reception areas, grocery' store or pharmacy aisles, service counters, public restrooms, cashier and checkout areas, waiting rooms, service areas, and other spaces used to interact with the public, regardless of whether anyone from the public is present at the time;
 - iii. working in any space where food is prepared or packaged for sale or distribution to others; working in or walking through common areas such as hallways, stairways, elevators, and parking facilities; or
 - iv. in any room or enclosed area when other people (except for members of the person's own household or residence) are present.
 - v. Take reasonable measures, such as posting signs, to remind their customers and the public of the requirement that they wear a Face Covering while inside of or waiting in line to enter the business, facility, or location. Essential Businesses and entities or organizations that engaged in Essential Infrastructure work must take all reasonable steps to prohibit any member of the public who

is not wearing a Face Covering from entering and must not serve that person if those efforts are unsuccessful.

3.03 Reusable face coverings or masks must remain clean and sanitary via regular washing and daily disinfecting.

Section 4: EXEMPTIONS FROM REQUIRMENTS FOR WEARING FACE COVERINGS

4.01 A Face Covering is not required when a person is in a personal office (a single room) when others outside of that person's household are not present as long as the public does not regularly visit the room. By way of example and without limitation, a construction worker, plumber, bank manager, accountant, or bike repair person is not required to wear a Face Covering if that individual is alone and in a space not regularly visited by the public, but that individual must put on a Face Covering when coworkers are nearby, when being visited by a client/customer, and anywhere members of the public or other coworkers are regularly present.

4.02 A Face Covering is not required when a person is eating or drinking in a restaurant or bar or similar facility.

4.03 Any child aged two years or less must not wear a Face Covering because of the risk of suffocation. This Ordinance does not require that any child aged twelve years or less wear a Face Covering. Parents and caregivers must supervise use of Face Coverings by children to avoid misuse.

4.04 Wearing a Face Covering is recommended but not required while engaged in outdoor recreation such as walking, hiking, bicycling, or running. But each person engaged in such activity must comply with social distancing requirements including maintaining at least six feet of separation from all other people to the greatest extent possible. Additionally, it is recommended that each person engaged in such activity bring a Face Covering and wear that Face Covering in circumstances where it is difficult to maintain

compliance with Social Distancing Requirements and that they carry the Face Covering in a readily accessible location, such as around the person's neck or in a pocket, for such use.

4.05 Because running or bicycling causes people to more forcefully expel airborne particles, making the usual minimum 6 feet distance less adequate, runners and cyclists must take steps to avoid exposing others to those particles, which include the following measures: wearing a Face Covering when possible; crossing the street when running to avoid sidewalks with pedestrians; slowing down and moving to the side when unable to leave the sidewalk and nearing other people; never spitting; and avoiding running or cycling directly in front of or behind another runner or cyclist who is not in the same household.

4.06 This Ordinance does not require any person to wear a Face Covering while driving alone, or exclusively with other members of the same family or household, in a motor vehicle.

4.07 A Face Covering is also not required by this Order to be worn by a particular individual if the person can show either: (1) a medical professional has advised that wearing a Face Covering may pose a risk to the person wearing the mask for health-related reasons; or (2) wearing a Face Covering would create a risk to the person related to their work as determined by local, state, or federal regulators or workplace safety guidelines; or because the person suffers from a Medical Condition that prevents that person from wearing a Face Covering.

4.08 A Face Covering should also not be used by anyone who has trouble breathing or is unconscious, incapacitated, or otherwise unable to remove the Face Covering without assistance.

Section 5: VIOLATIONS

5.01 The Council does hereby expressly find and declare that this Ordinance is necessary to slow the rate of spread of COVID-19 in the City, especially among its most vulnerable citizens. Failure to comply with any of

the provisions of this Ordinance constitutes an imminent threat and immediate menace to public health, especially and therefore is declared to be a public nuisance, which is a Class C Misdemeanor that is punishable in the manner set forth herein or is subject to other extraordinary legal remedies available to the City to eliminate and/or abate public nuisances.

Section 6: ADMINISTRATION AND ENFORCEMENT

6.01 Pursuant to the City's Charter, the Mayor, by virtue of his office, is the Chief Executive Officer of the City government, and each and every department thereof, and as such, shall have under his control and be charged with the duty of supervising and compelling the performance of duties by all other officers and employees. 6.03 The Mayor shall be authorized to appoint his officers, assistants and employees to enforce the rules and regulations promulgated by the Mayor under the provisions of this Ordinance. 6.04 Whenever the Mayor deems it necessary to carry out the provisions of this Ordinance, the Mayor shall have the power to call upon the Chief of

police services for a detail of officers, and the director of police shall furnish such officers, and the officers so detailed shall act under the direction of the Mayor for the purpose of carrying out the provisions of this Ordinance or any proclamation or regulation issued by the Mayor to abate any public health nuisances and may issue citations for violations hereof.

6.05 The Municipal Courts of the City shall have jurisdiction over any citations issued for violations of this ordinance.

6.06 The fines or penalties that may be assessed by the City's Municipal Courts shall be as follows:

- 1) First offense – warning
- 2) Second offense – community service

6.07 The Mayor shall also be authorized to seek restraining orders or injunctive relief in courts of appropriate jurisdiction to abate any continuing health nuisances that have occurred and are continuing in violation of Section 3.02 of this Ordinance.

6.08 The Mayor shall be authorized to create and operate COVID-19 community service activities to be performed by violators of this Ordinance.

6.09 The Mayor is requested to develop and post on the City's website a sample sign to be used by Essential Business and Governmental Operations for notifying customers and the public of the need to comply with the requirements of this Ordinance for wearing face coverings.

6.10 The Mayor is authorized to use any available federal COVID-19 funding for implementation of this Ordinance, including but not limited to compensation of inspectors and other employees whose services are substantially dedicated to mitigation of the COVID-19 public health emergency as provided in this Ordinance or for the provision of masks to small businesses, public transportation vehicles and for use by visitors to public buildings and facilities.

6.11 The Mayor is authorized to establish a system for employees of Essential and Non-Essential Businesses to report the failure of an employer to provide masks for their work and for members of the public to report violations of this Ordinance or any executive orders relating to reopening of businesses and activities, which may include telephone hot-lines and/or internet systems.

Dear Dr. Warren:

As we discussed, I have prepared a substitute mask ordinance. This Ordinance seeks a balance between protecting workers and customers of essential business and government operations. It combines a global requirement for masks with a targeted requirement for places where citizens do not have the option of avoiding This will protect a large segment of our population and may make the Ordinance more palatable to those who are cavalier in dealing with the risks of COVID-19. As you know source control measures work. Also, it appears that businesses are making an effort to require masks to make their patrons feel safe to patronize their establishments. This ordinance will make masks a required accessory for all, because everyone will go to the grocery, drug store, liquor store and large brick and mortar retail businesses. I have summarized to highlights of the substitute ordinance below. I think the Ordinance thoroughly covers the subject, but let me know if you have any questions.

ORDINANCE SUMMARY

One key transmission method for the COVID-19 virus is respiratory droplets that people expel when they breathe or sneeze. With the virus that causes COVID-19, people can be infected and not have any symptoms, meaning they are asymptomatic, but they can still be contagious. People can also be infected and contagious 48 hours before developing symptoms, the time when they are pre-symptomatic.

Many people with the COVID-19 virus have mild symptoms and do not recognize they are infected and contagious, and they can unintentionally infect others. Therefore, the CDC now believes that wearing a face covering, when combined with physical distancing of at least 6 feet and frequent hand washing, may reduce the risk of transmitting coronavirus when in public and engaged in essential activities by reducing the spread of respiratory droplets.

And because it is not always possible to maintain at least 6 feet of distance, members of the public and workers should wear face coverings while engaged in most essential activities and other activities when others are nearby.

This Ordinance requires that people wear Face Coverings, which may be simple do-it-yourself coverings, in three main settings.

First, members of the public must wear Face Coverings while inside of or waiting in line to enter Essential Businesses, Brick and Mortar Retail Businesses and other businesses or facilities engaged in providing Essential Infrastructure, and providing Essential Government Functions (except Healthcare Operations, which are subject to different requirements), when seeking healthcare from Healthcare Operations, and when waiting for or riding on public transportation and other types of shared transportation.

Second, this Ordinance also requires employees, contractors, owners, and volunteers of all Essential Businesses or those operating public transportation and other types of shared transportation to wear a Face Covering when at work.

Third, this Ordinance also requires workers engaged in Essential Infrastructure work and Essential Government Functions to wear a Face Covering in areas where the public is present or likely to be and at any time when others are nearby.

This Ordinance includes certain exceptions. For instance, this Ordinance does not require that any child aged twelve years or younger wear a Face Covering and recommends that any child aged two years or younger should not wear one because of the risk of suffocation. It does not apply to persons medically unable to wear masks. It does not apply to persons eating or drinking at a restaurant or bar.

This Ordinance also does not apply to people who are in their own cars alone or with members of their own household.

It also does not require people wear Face Coverings while engaged in outdoor recreation such as walking, hiking, bicycling, or running, though it does recommend that they have a Face Covering with them but encourages them to practice social distancing and other measures to protect against transmission of the virus.

Finally, the Ordinance places administration with the Mayor and clarifies his authority under the City's Charter and Ordinances. There may be administrative items to be resolved before the Ordinance can be fully implemented, but passage will allow the process to begin and will put in place a system for protecting the public, if and when, there is a second surge.

BE IT RESOLVED by the Council of the City of Memphis, Tennessee, as follows:

SECTION 1. Findings and Determinations.

(a) The Council of the City of Memphis, Tennessee (the "Council"), on June 16, 2020, adopted an initial resolution (the "Initial Resolution") authorizing the issuance of general obligation bonds of the City of Memphis, Tennessee (the "City"), in the maximum principal amount of not to exceed thirty-one million dollars (\$31,000,000), for the purpose of financing various public works projects of the City, as further described herein.

(b) The City deems it to be in its best interests to provide at this time, by adoption of this resolution, for the issuance of general obligation bonds of the City to finance various public works projects of the City, to be issued pursuant to the Initial Resolution and this

resolution in an aggregate principal amount not in excess of the authorized amount under the Initial Resolution.

SECTION 2. Approval and Authorization of 2020A Bonds. There is hereby authorized to be issued, sold and delivered under the Initial Resolution and this resolution, one or more series of general obligation bonds of the City in the maximum aggregate principal amount of not to exceed thirty-one million dollars (\$31,000,000) to be designated "General Improvement Bonds, Series 2020A" (the "2020A Bonds") for the purpose of (a) financing the cost of public works projects of the City and (b) providing for the payment of costs of issuance of the 2020A Bonds.

SECTION 3. Certain Details of 2020A Bonds. The 2020A Bonds, or such portion thereof as shall be determined by the Chief Financial Officer of the City (the "Chief Financial Officer"), shall be sold at one time or from time to time on a date or dates to be selected by the Chief Financial Officer. The 2020A Bonds of each series shall be numbered from R-1 upwards in order of issuance. The 2020A Bonds shall be dated as of a date to be determined by the Chief Financial Officer, shall be issued in the denomination of \$5,000 each or any integral multiple thereof, and shall bear interest payable initially and semiannually thereafter in each year on the dates and at the rates per annum, not to exceed 6% per annum, to be determined by the Chief Financial Officer. The 2020A Bonds shall mature in serial or term forms not later than the end of the fiscal year of the City following the fiscal year of the City in which the 2020A Bonds are issued, on the maturity dates and in the amounts to be determined by the Chief Financial Officer.

The 2020A Bonds shall be issued only in fully registered form without coupons. One 2020A Bond representing each maturity will be issued to and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), as registered owner of the 2020A Bonds and each such 2020A Bond shall be immobilized in the custody of DTC. DTC will act as securities depository for the 2020A Bonds. Individual purchases will be made in book-entry form only, in the principal amount of \$5,000 or any integral multiple thereof. Purchasers will not receive physical delivery of certificates representing their interest in the 2020A Bonds purchased except as provided by Section 4 hereof.

Unless the City and the paying agent and registrar named below agree otherwise, so long as DTC or its nominee is the registered owner of the 2020A Bonds as such securities depository, payments of principal, premium, if any, and interest payments on the 2020A Bonds will be made by the City through the Paying Agent and Registrar named below, by wire transfer to DTC or its nominee, Cede & Co., as registered owner of the 2020A Bonds, which will in turn remit such payments to the DTC participants for subsequent disbursement to the beneficial owners of the 2020A Bonds. Transfer of principal, premium, if any, and interest payments to DTC participants will be the responsibility of DTC. Transfers of such payments to beneficial owners of the 2020A Bonds by DTC participants will be the responsibility of such participants and other nominees of such beneficial owners. Transfers of ownership interests in the 2020A Bonds

will be accomplished by book entries made by DTC and, in turn, by the DTC participants who act on behalf of the indirect participants of DTC and the beneficial owners of the 2020A Bonds.

The City will not be responsible or liable for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC, its participants or persons acting through such participants or for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owner of the 2020A Bonds.

Regions Bank is hereby appointed as Paying Agent and Registrar for the 2020A Bonds (the "Paying Agent and Registrar").

SECTION 4. Procedure in the Event of Revision of Book-Entry Transfer System Replacement Bonds. The City shall issue 2020A Bond certificates (the "Replacement Bonds") directly to the beneficial owners of the 2020A Bonds other than DTC, or its nominee, but only in the event that:

(a) DTC determines to discontinue providing its services with respect to the 2020A Bonds at any time by giving notice to the City and discharging its responsibilities; or

(b) the City discontinues use of DTC (or substitute depository or its successor) at any time upon determination by the City that the use of DTC (or substitute depository or its successor) is no longer in the best interests of the City and the beneficial owners of the 2020A Bonds, subject to applicable procedures of DTC.

The City and the Paying Agent and Registrar may rely upon information provided by DTC, DTC participants or other nominees of beneficial owners, or beneficial owners with respect to the names, addresses and amounts owned by the beneficial owners and other information supplied by them for the purpose of delivering Replacement Bonds.

Upon occurrence of the events described in either (a) or (b) above, the City shall attempt to locate another qualified securities depository. If the City fails to locate another qualified securities depository to replace DTC, the City shall execute and deliver Replacement Bonds in substantially the form set forth in Section 11 hereof. Such Replacement Bonds shall bear thereon a certificate of authentication in the form set forth in Section 11 hereof executed manually by an authorized officer of the Paying Agent and Registrar as registration agent for the City. Only such 2020A Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under this resolution and no 2020A Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by an authorized officer of the Paying Agent and Registrar. Any such certificate of the Paying Agent and Registrar upon any 2020A Bond executed on behalf of the City shall be conclusive evidence that the 2020A Bond so authenticated has been duly authenticated and delivered under this resolution and that the registered owner of such 2020A Bond is entitled to the benefits and security of this resolution.

Prior to the execution and delivery of Replacement Bonds, the City shall notify the beneficial owners of the 2020A Bonds by mailing an appropriate notice to DTC. Principal of and interest on the Replacement Bonds shall be payable by check or draft mailed to each registered owner of such Replacement Bonds at the address of such owner as it appears in the books of registry maintained by the Paying Agent and Registrar. Replacement Bonds will be transferable only by presentation and surrender to the Paying Agent and Registrar, together with an assignment duly executed by the registered owner of the Replacement Bond or by such owner's representative in form satisfactory to the Paying Agent and Registrar and containing information required by the Paying Agent and Registrar in order to effect such transfer.

The City may charge a fee or fees sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to an exchange or transfer of a 2020A Bond and may charge the person requesting such exchange or transfer such fee or fees which shall be paid as a condition precedent to the exercise of the privilege of making such exchange or transfer.

SECTION 5. Redemption. Any or all of the 2020A Bonds (or portions thereof in installments of \$5,000) may be subject to redemption at the option of the City and, in the case of term 2020A Bonds, be subject to mandatory sinking fund redemption, prior to their stated maturities, in whole at any time or in part from time to time; provided, however, that subject to the next proviso, the initial optional redemption date for 2020A Bonds shall be no later than eleven (11) years after the date of delivery thereof and payment therefor; provided further, however, that any 2020A Bonds also may be made not redeemable prior to maturity. The redemption provisions, if any, shall be finally determined by the Chief Financial Officer.

If any 2020A Bond (or any portion of the principal amount thereof in installments of \$5,000) shall be called for redemption, notice of the redemption thereof, specifying the date, number and maturity of such 2020A Bond, the date and place or places fixed for its redemption, the premium, if any, payable upon such redemption, and if less than the entire principal amount of such 2020A Bond is to be redeemed, that such 2020A Bond must be surrendered in exchange for the principal amount thereof to be redeemed and a new 2020A Bond or 2020A Bonds issued equaling in principal amount that portion of the principal amount thereof not to be redeemed, shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date fixed for redemption by first class mail, postage prepaid, to the registered owner of such 2020A Bond at such owner's address as it appears on the books of registry kept by the Paying Agent and Registrar as of the close of business on the forty-fifth (45th) day preceding the date fixed for redemption; provided, however, that any notice of redemption may state that it is conditioned upon the receipt by the Paying Agent and Registrar of sufficient moneys to pay the redemption price, plus interest accrued and unpaid to the redemption date, or upon satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such redemption price and accrued interest if any such condition so specified is not satisfied or if any other such event occurs. Notice of such rescission shall be given by the Paying Agent and Registrar to affected registered owners of 2020A Bonds as

promptly as practicable upon the failure of such condition or the occurrence of such other event and shall be given in the same manner as the notice of redemption was given.

If notice of the redemption of any 2020A Bond shall have been given as aforesaid, and payment of the principal amount of such 2020A Bond (or the portion of the principal amount thereof to be redeemed) and of the accrued interest and premium, if any, payable upon such redemption shall have been duly made or provided for, interest on such 2020A Bond shall cease to accrue from and after the date so specified for redemption thereof. The failure of any registered owner to receive any such mailed notice shall not affect the sufficiency or validity of the proceedings for the redemption of the related 2020A Bonds.

Notwithstanding the foregoing, so long as the 2020A Bonds are registered in the name of DTC or its nominee for purchase in book-entry only form, (i) any notice of redemption or of rescission of conditional notice of redemption will be given only to DTC or its nominee, (ii) notice of redemption given to DTC or its nominee may be given at such time and in such manner as is required by the operational procedures of DTC or its nominee, (iii) the selection of beneficial ownership interests in the 2020A Bonds to be redeemed within a maturity may be determined in accordance with such procedures, and (iv) the City shall not be responsible for providing any beneficial owner of the 2020A Bonds with any such notice.

2020A Bonds may be made subject to purchase in lieu of redemption as determined by the Chief Financial Officer.

SECTION 6. Security. The full faith and credit and unlimited taxing power of the City are hereby pledged to the punctual payment of the principal of and interest on the 2020A Bonds. In accordance with the provisions of T.C.A. Section 9-21-215, it is hereby recited that adequate provision will be made for raising annually by tax upon all property subject to taxation by the City of a sum sufficient to pay the interest on and principal of the 2020A Bonds as the same shall become due. The City hereby agrees that a tax sufficient to pay when due such principal and such interest shall be levied annually and assessed, collected and paid in like manner with the other taxes of the City and shall be in addition to all other taxes authorized or limited by law. This resolution shall be deemed to be the tax resolution required to be adopted in respect of the 2020A Bonds under T.C.A. Section 9-21-215.

It is the duty of the Council to include in the annual levy a tax sufficient to pay the principal of and interest on the 2020A Bonds as the same become due. If any part of the principal of or interest on any of the 2020A Bonds is not paid when due, there shall be levied and assessed by the Council and collected by the proper collecting officers at the first assessment, levy and collection of taxes in the City after such omission or failure, a tax sufficient to pay the same.

SECTION 7. Execution and Authentication of 2020A Bonds. The 2020A Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor of the City and of the Comptroller of the City and shall have impressed or imprinted thereon or affixed thereto, by facsimile or otherwise, the official seal of the City. In case any

officer of the City whose signature or whose facsimile signature shall appear on the 2020A Bonds shall cease to be such officer before the delivery of such 2020A Bonds, such signature or the facsimile signature thereof shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The 2020A Bonds shall bear thereon a certificate of authentication in the form set forth in Section 11 hereof executed manually by an authorized officer of the Paying Agent and Registrar. No 2020A Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by an authorized officer of the Paying Agent and Registrar.

SECTION 8. Payment of 2020A Bonds; Books of Registry; Exchanges and Transfers of Bonds.

(a) Payment of Bonds.

(i) At any time during which the 2020A Bonds shall be in fully registered form, the interest on the 2020A Bonds shall be payable by wire transfer or by check or draft mailed by the Paying Agent and Registrar to the registered owners of the 2020A Bonds at their addresses as the same appear on the books of registry as of a record date determined by the Chief Financial Officer, and the principal of and premium, if any, on the 2020A Bonds shall be payable at the principal office of the Paying Agent and Registrar or any other office of the Paying Agent and Registrar designated for such purpose; provided, however that at any time during which the 2020A Bonds shall be in book-entry form, the principal of and premium, if any, and interest on the 2020A Bonds shall be payable in accordance with the provisions of Section 3 hereof.

(ii) The principal of and premium, if any, and interest on the 2020A Bonds shall be payable in such coin or currency of the United States of America as at the respective dates of payment is legal tender for public and private debts.

(b) Books of Registry; Exchanges and Transfers of 2020A Bonds.

(i) At all times during which any 2020A Bond remains outstanding and unpaid, the Paying Agent and Registrar shall keep or cause to be kept, at its principal office or any other office of the Paying Agent and Registrar designated for such purpose, books of registry for the registration, exchange and transfer of the 2020A Bonds. Upon presentation at the principal office of the Paying Agent and Registrar or any other office of the Paying Agent and Registrar designated for such purpose, the Paying Agent and Registrar, under such reasonable regulations as it may prescribe, shall register, exchange, transfer, or cause to be registered, exchanged or transferred, on the books of registry the 2020A Bonds as herein set forth.

(ii) Any 2020A Bond may be exchanged for a like aggregate principal amount of such 2020A Bonds in authorized principal amounts of the same interest rate and

maturity.

(iii) Any 2020A Bond may, in accordance with its terms, be transferred upon the books of registry by the person in whose name it is registered, in person or by their duly authorized agent, upon surrender of such 2020A Bond to the Paying Agent and Registrar for cancellation, accompanied by a written instrument of transfer duly executed by the registered owner in person or their duly authorized agent, in form satisfactory to the Paying Agent and Registrar.

(iv) All transfers or exchanges pursuant to this Section 8(b) shall be made without expense to the registered owner of such 2020A Bond, except as otherwise herein provided, and except that the Paying Agent and Registrar shall require the payment by the registered owner of the 2020A Bond requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange. All 2020A Bonds surrendered pursuant to this Section 8(b) shall be canceled.

SECTION 9. CUSIP Identification Numbers. CUSIP identification numbers may be printed on the 2020A Bonds, but neither the failure to print any such number on any 2020A Bond, nor any error or omission with respect thereto, shall constitute cause for failure or refusal by the purchaser of the 2020A Bonds to accept delivery of and pay for the 2020A Bonds in accordance with the terms of its proposal to purchase the 2020A Bonds. No such number shall constitute or be deemed to be a part of any 2020A Bond or a part of the contract evidenced thereby, and no liability shall attach to the City or any of its officers or agents because of or on account of any such number or any use made thereof.

SECTION 10. Tax Covenant. The City covenants and agrees to comply with the provisions of Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended, and the applicable Treasury Regulations promulgated thereunder or otherwise applicable thereto, in each case whether prospective or retroactive, that must be satisfied in order that interest on the 2020A Bonds shall be and continue to be excluded from gross income for federal income tax purposes under said Sections 103 and 141 through 150.

SECTION 11. Form of 2020A Bonds. The 2020A Bonds shall be in substantially the form set forth below with such necessary or appropriate variations, omissions and insertions as are incidental to their series, numbers, interest rates and maturities or as are otherwise permitted or required by law or this resolution:

UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF DTC TO THE PAYING AGENT AND REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR SUCH OTHER NAME AS REQUIRED BY AN AUTHORIZED REPRESENTATIVE OF DTC AND ANY PAYMENT IS MADE TO CEDE & CO., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSONS IS WRONGFUL SINCE THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

SECTION 12. Sale of Bonds. The 2020A Bonds shall be sold at public sale on a date to be selected by the Chief Financial Officer and at a price of not less than 98% of the principal amount of the 2020A Bonds. The Chief Financial Officer is hereby authorized to publish and distribute a Notice of Sale of the 2020A Bonds, substantially in the form previously delivered to the Council members, with such changes as shall be approved by the Chief Financial Officer, upon the advice of counsel (including the Chief Legal Officer/City Attorney, Co-Bond Counsel and Co-Disclosure Counsel) and the City's Co-Financial Advisors, which approval shall be conclusively evidenced by its publication and distribution, as applicable. The Chief Financial Officer is also hereby authorized to distribute to purchasers of and investors in the 2020A Bonds a Preliminary Official Statement of the City relating to the 2020A Bonds (the "Preliminary Official Statement"), substantially in the form previously delivered to the Council members, with such changes as shall be approved by the Chief Financial Officer, upon the advice of counsel (including the Chief Legal Officer/City Attorney, Co-Bond Counsel and Co-Disclosure Counsel) and the City's Co-Financial Advisors, which approval shall be conclusively evidenced by its publication and distribution, as applicable. As so changed, the Preliminary Official Statement may recite, or the Chief Financial Officer may separately certify, that it is in a form which is "deemed final" as of its date as described in, and with such omissions as are permitted by, Rule 15c2-12(b)(1) of the United States Securities and Exchange Commission (the "SEC"), but is subject to revision, amendment and completion of a final Official Statement as defined in Rule 15c2-12(e)(3) of the SEC, and the Chief Financial Officer is authorized to separately so certify. The Chief Financial Officer also is hereby authorized to prepare or cause to be prepared, and distribute or cause to be distributed, and the Mayor or Chief Financial Officer is hereby authorized to execute, an Official Statement, relating to the 2020A Bonds (the "Official Statement") in substantially the form of the Preliminary Official Statement as so modified, after the same has been completed by the insertion of the maturities, interest rates, and other details of the 2020A Bonds and by making such other insertions, changes or corrections as the Chief Financial Officer, based on the advice of counsel (including the Chief Legal Officer/City Attorney, Co-Bond Counsel and Co-Disclosure Counsel) and the City's Co-Financial Advisors, deem necessary or appropriate, such approval to be conclusively evidenced by the execution thereof; and the Council hereby authorizes the Preliminary Official Statement and the Official Statement and the information contained therein to be used by the initial purchasers in connection with the sale of the 2020A Bonds.

A Continuing Disclosure Agreement between the City and Digital Assurance Disclosure, L.L.C., as disclosure dissemination agent ("DAC"), substantially in the form described in the Preliminary Official Statement (as the same may be amended pursuant to the terms thereof, the "Continuing Disclosure Agreement"), is hereby authorized to be executed and delivered by the Mayor, upon consultation with the Chief Financial Officer. The form of Continuing Disclosure Agreement as executed and delivered may include such changes as shall be approved by such officers, upon the advice of counsel (including the Chief Legal

Officer/City Attorney, Co-Bond Counsel and Co-Disclosure Counsel), which approval shall be conclusively evidenced by the execution thereof.

Upon termination of DAC's services as disclosure dissemination agent under the Continuing Disclosure Agreement, the City agrees to appoint a successor disclosure dissemination agent under a successor continuing disclosure agreement, the execution and delivery of which by the Mayor, upon consultation with the Chief Financial Officer and advice of counsel (including the Chief Legal Officer/City Attorney, Co-Bond Counsel and Co-disclosure Counsel), is hereby authorized, to assume substantially the same responsibilities or, alternately, agrees to assume all disclosure responsibilities of DAC or the entity then serving as disclosure dissemination agent under such Continuing Disclosure Agreement. For purposes of the next paragraph, any such successor agreement or assumption of responsibilities by the City also shall be deemed to be a "Continuing Disclosure Agreement."

The City covenants with the holders from time to time of the 2020A Bonds that it will, and hereby authorizes the appropriate officers and employees of the City to take all action necessary or appropriate to, comply with and carry out all of the provisions of the Continuing Disclosure Agreement as amended from time to time. Notwithstanding any other provision of this resolution, failure of the City to perform in accordance with the Continuing Disclosure Agreement shall not constitute a default under this resolution and the Continuing Disclosure Agreement may be enforced only as provided therein.

SECTION 13. Application of Proceeds of Sale of the Bonds. Proceeds of the sale of the 2020A Bonds shall be applied as follows:

(A) Accrued interest received on the 2020A Bonds, if any, from their dated date to the date of delivery of and payment for the 2020A Bonds shall be applied to the payment of interest on the 2020A Bonds on the first interest payment date thereof.

(B) The balance shall be paid to the City to be deposited with a financial institution regulated by the Federal Deposit Insurance Corporation or similar or successor federal agency to be determined by the Chief Financial Officer to be kept separate and apart from all other funds of the City. The funds shall be disbursed solely to (i) pay costs of the public works projects authorized herein or reimburse the City for the prior payment thereof, and (ii) pay costs of issuance of the 2020A Bonds. The funds shall be invested as directed by the Chief Financial Officer in such investments as shall be permitted by applicable law and the earnings thereon shall be applied to the purposes described above. Any funds remaining following completion of the public works projects shall be deposited to the applicable City debt service fund to be used to pay debt service on the 2020A Bonds. The Chief Financial Officer shall be authorized to amend the budget of the debt service fund to account for any changes made in compliance with this section.

SECTION 14. Defeasance. If the City shall pay and discharge the indebtedness evidenced by any of the 2020A Bonds in any one or more of the following ways, to wit:

(a) By paying or causing to be paid the principal of and interest on such 2020A Bonds as and when the same become due and payable; or

(b) By depositing or causing to be deposited with any trust company or bank whose deposits are insured by the Federal Deposit Insurance Corporation and which has trust powers (the "Agent" which Agent may be the Paying Agent and Registrar), in trust, on or before the date of maturity or redemption, sufficient money or obligations of the United States of America that, at the time of the purchase thereof, are permitted investments under Tennessee law for the purposes described in this Section 14 (the "Obligations"), the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such 2020A Bonds and to pay premium, if any, and interest thereon when due until the maturity or redemption date (provided, if such 2020A Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice); or

(c) By delivering such 2020A Bonds to the Paying Agent and Registrar for cancellation;

and if the City shall also pay or cause to be paid all other sums payable hereunder by the City with respect to such 2020A Bonds, or make adequate provision therefor, and by resolution of the Council instruct any such Agent to pay amounts when and as required to the Paying Agent and Registrar for the payment of principal of and interest and redemption premiums, if any, on such 2020A Bonds when due, then and in that case the indebtedness evidenced by such 2020A Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the City to the holders of such 2020A Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the City shall pay and discharge the indebtedness evidenced by any of the 2020A Bonds in the manner provided in clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Obligations of the United States of America deposited as aforesaid.

Except as otherwise provided in this Section 14, neither the Obligations of the United States of America nor moneys deposited with the Agent pursuant to this Section nor principal or interest payments on any such Obligations of the United States of America shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and premium, if any, and interest on said 2020A Bonds; provided, that any cash received from such principal or interest payments on such Obligations of the United States of America deposited with the Agent, (i) to the extent such cash will not be required at any time for such purpose, shall be paid over to the City as received by the Agent and (ii) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Obligations of the United States of America maturing at times and in amounts sufficient to pay when due the principal and premium, if any, and interest to become due on said 2020A Bonds on or prior to such redemption date or maturity date thereof, as the case may be,

and interest earned from such reinvestments shall be paid over to the City, as received by the Agent.

SECTION 15. TDZ Revenues. There has previously been established within the downtown area of the City a Tourism Development Zone (the "Downtown TDZ") pursuant to The Convention Center and Tourism Development Financing Act of 1998, codified at T.C.A. Title 7, Chapter 88, Sections 7-88-101 *et seq.*, as heretofore or hereafter amended (the "Tourist Development Financing Act"). The City uses Tourism Development Zone revenues (the "TDZ Revenues") made available by the State of Tennessee (the "State") pursuant to the Tourist Development Financing Act to finance the cost of "qualified public use facilities" (as defined in the Tourist Development Financing Act, and which may, among other things, include the Convention Center). The City intends to apply any excess TDZ Revenues to the payment of debt service on the 2020A Bonds. Application to the State for any approval that may be required for the receipt and use of TDZ Revenues as contemplated by, or by the documents authorized by, this resolution is hereby authorized. In furtherance thereof, the Mayor is hereby authorized to execute and deliver an agreement with the State to amend, restate, revise, supercede and/or replace the Agreement Concerning Memphis Tourism Development Zone, dated as of April 24, 2017, by and between the City and the State, and the Temporary Statement of Intent referred to therein, upon consultation with counsel (including the Chief Legal Officer/City Attorney, Co-Bond Counsel and Co-Disclosure Counsel), its execution to be conclusive evidence of such consultation.

SECTION 16. Further Authorizations. The appropriate officers and employees of the City are hereby authorized to take all such actions and execute such documents (upon advice of counsel (including the Chief Legal Officer/City Attorney, Co-Bond Counsel and Co-Disclosure counsel)) as shall be necessary to effect the delivery of and payment for the 2020A Bonds and as may be reasonably required to carry out, give effect to and consummate the transactions contemplated hereby, including the purchase, if deemed to the City's financial advantage, of a bond insurance policy guaranteeing payment of principal of and interest on the 2020A Bonds and to provide for the payment of the premium cost thereof.

SECTION 17. Severability. If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements and provisions hereof or of the 2020A Bonds issued hereunder.

SECTION 18. Repealer. All resolutions in conflict or inconsistent herewith are hereby repealed insofar as any conflict or inconsistency.

SECTION 19. Effective Date. This resolution shall not become effective unless and until the Initial Resolution shall have been adopted and published, the protest period with respect to the Initial Resolution as set forth in Section 9-21-206 of the T.C.A. shall have

expired, and no sufficient petition protesting the issuance of the 2020A Bonds shall have been filed as permitted by law.

WHEREAS, on June 19, 1865, Union soldiers, led by Major General Gordon Granger, arrived in Galveston, Texas, with welcomed news that the Civil War had ended and that the enslaved were free; and

WHEREAS, African-Americans who had been enslaved in the Southwest began celebrating June 19, commonly known as “Juneteenth Independence Day,” to inspire and encourage future generations; and

WHEREAS, African-Americans from across the Nation have continued the tradition of observing Juneteenth Independence Day for over 150 years; and

WHEREAS, 47 States and the District of Columbia have designated Juneteenth Independence Day as a special day of observance in recognition of the emancipation of all enslaved African-Americans in the United States; and

WHEREAS, Juneteenth Independence Day celebrations have been held to honor African-American freedom while encouraging self-development and respect for all cultures; and

WHEREAS, the faith and strength of character demonstrated by formerly enslaved African-Americans and the descendants of formerly enslaved African-Americans remain an example for all people of the United States, regardless of background, religion, or race; and

WHEREAS, despite the formal issuance of the Emancipation Proclamation on January 1, 1863, slavery was not officially abolished throughout the entire Nation until the ratification of the 13th Amendment to the Constitution of the United States in December 1865; and

WHEREAS, over the course of its history, the City of Memphis has seen the damaging effects of the slavery, the fight for freedom by way of the civil rights movement, and present-day efforts to achieve equity for all:
