PREAMBLE

This agreement is entered into by the City of Memphis, Tennessee, hereinafter referred to as the City or Employer, and Local 1733, American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter referred to as the Union.

It is the purpose of this Memorandum of Understanding to promote harmonious relations, cooperation, and understanding between the City, the Union and the employees covered hereby, to insure the well-being of said employees and the efficient and economical operation of the departments in which they are employed, to establish and maintain a basic understanding relative to personnel policies, practices, and procedures involving wages, hours, and other conditions of employment, and to provide a means for amicable discussion and adjustment of matters of mutual interest.

ARTICLE 1 RECOGNITION

The City of Memphis recognizes the American Federation of State, County and Municipal Employees, AFL-CIO, Local 1733, as the sole and exclusive bargaining agent for all employees in classifications specified in Appendix A of this Memorandum of Understanding, in the Public Works Division, Division of Public Services and Neighborhoods, General Services Division, Engineering, Police Services Division, Fire Services Division, Park Services, and the Judicial System (City Court Clerks and Traffic Violations Bureau), for the purpose of negotiating wages, hours, and other conditions of employment to the full extent provided by the applicable laws of the City of Memphis, the State of Tennessee and the City Council Labor Policy.

The City grants exclusive recognition to the Union in accordance with the City Council Labor Policy, which provides that no other labor organization shall be recognized unless they are designated by a majority of the non-supervisory employees of the appropriate unit.

The term "appropriate unit" shall mean the Public Works Division (including Solid Waste Management), General Services Division, Engineering, Fire Services Division, Police Services Division, Park Services Division, and Division of Public Services and Neighborhoods, which are under the Administration of the Mayor and Judicial System

(the City Court Clerks and Traffic Violations Bureau) which is under the administration of the City Court Clerk. For purposes of definition, "supervisor" shall mean those who have authority to hire, fire, discipline, promote, transfer, or assign or to effectively recommend such action.

ARTICLE 2 MANAGEMENT RIGHTS

The City of Memphis has the exclusive right to determine the purpose of each of its agencies and to set the standards of services to be offered to its citizens. It is also the right of the City to direct its employees, to hire, promote, demote, transfer, assign or retain employees in positions within an agency or department, and to establish reasonable work rules which do not conflict with this agreement. However, any work rule change that affects an established system shall be discussed with the Union in advance of change.

The City has the right to suspend, discharge or take other disciplinary action against its employees for just cause and in accordance with the provisions of the Memorandum of Understanding, and to relieve its employees from duty in the event of lack of work, funds, or other legitimate reasons provided, however, that nothing contained in this article shall be deemed to deny the rights of any employee to submit a grievance concerning the application or interpretation of the terms of this Memorandum of Understanding or a claimed violation, misinterpretation, or misapplication of the rules or regulations of the City affecting the terms and conditions of employment.

All rights and duties of both parties are specifically expressed in this Memorandum of Understanding and each of the parties reserves to itself the rights and privileges otherwise accorded it whether by Charter, statute, or common law with respect to any matter not expressly covered by this Memorandum of Understanding.

ARTICLE 3 GENERAL PROVISIONS

Section 1. The Union and City agree that no employee shall be discriminated against, harassed or discharged because of Union membership, sex, marital status, race, religion, creed, national origin, political affiliation, or except as allowed by law a

disability within the meaning of the Americans with Disabilities Act, or for exercising the use of the grievance procedure. "Employee" as used in this agreement or used in the male gender in this agreement shall be construed as including female.

Section 2. Nothing in this Memorandum of Understanding can be construed to require an employee to join the Union or any other employee organization. The Union and Management shall not coerce any employee in the exercise of his rights to join or not to join the Union. The City, its supervisors, the Union, or any other person in authority shall not coerce, intimidate, harass or in any other manner discriminate against any employee who exercises his right to join, not join, or continue membership in the Union. No employee shall be denied promotion to any city job, nor denied any other benefit because of his/her membership in the union.

Section 3. The employer will not engage in aiding, encouraging, supporting and assisting in any way any other Union, employee group or organization within the bargaining unit, nor hold employee meetings in the bargaining unit which excludes Union members.

ARTICLE 4 UNION STEWARDS AND UNION REPRESENTATION

Section 1. The City recognizes and shall deal with the designated Union Stewards, appropriate Union Chapter Chairpersons, Local President, and representatives of the American Federation of State, County and Municipal Employees, whether local union representative, district council representatives or international representatives.

Section 2. Union staff representatives shall be admitted to the buildings and grounds of the City during working hours for the purpose of assisting in the adjustment of grievances, and the conducting of other Union business, except Union solicitation and Union meetings, or any Union activities which would disrupt the normal work schedule. Any Union meetings with all employees assigned to the particular area called by the Union Representative or Chapter Chairperson may be held on City property during work hours upon prior request of the Division Director, City Court Clerk, or their designee, which permission shall not be unreasonably withheld.

Section 3. A written list of Union Stewards and Chapter Officers shall be furnished to the City Director of Human Resources within ten (10) days after their designation and the Union shall notify the City Director of Human Resources and the appropriate Division Director within five (5) days of such Union Steward's designation or changes thereof.

Section 4. The appropriate Union Stewards within the area and/or appropriate Chapter Chairperson shall be granted reasonable time off, without loss of pay, during working hours to investigate potential grievances, accidents and settle complaints which have not become formal grievances, upon given notice and receiving approval of the supervisor, which approval shall not be unreasonably withheld. Once a grievance has been filed at Step 1, the Union Steward, Chief Steward, the aggrieved employee and Chapter Chairperson will be granted reasonable time off without loss of pay during working hours only at the appropriate step specified for each named position in the grievance procedure.

Section 5. If an employee has to come in when he is not scheduled to work in order to attend the grievance meeting, or arbitration hearing, he shall be paid for such time. The City will comply with the employee's request regarding pay or time off. Grievances shall not be scheduled on a steward's off day, but when scheduled on different shifts or when the steward cannot attend, the Union will provide a Chief Steward or alternate steward when notified by management.

Section 6. The City will provide an office area whenever available for the use of the Chapter Chairperson. The City will provide an office area with a desk and chairs for the Local President. It is not intended that his full work day be spent in the office.

ARTICLE 5 GRIEVANCE AND ARBITRATION PROCEDURE

Any grievance, defined as a dispute between the City or any representative of the City and any employee or group of employees covered by this agreement over the application, meaning, or interpretation of this Memorandum of Understanding, shall be handled in a simple and direct manner as follows:

Step 1. The Union Steward, with the aggrieved employee, shall discuss the grievance with his/her immediate supervisor within ten (10) working days of the date of

the grievance or the employee's knowledge of its occurrence. The immediate supervisor shall attempt to adjust the dispute and shall respond to the Union Steward within five (5) working days.

Step 2. If not resolved at Step 1, the grievance shall be reduced to writing, indicating the specific article allegedly violated, and giving a brief description of the grievance. The written grievance shall be presented to the Step 2 supervisor within twenty (20) working days of the occurrence of the grievance or the employee's knowledge of its occurrence, or within ten (10) working days of the immediate supervisor's response, whichever is longer. The Step 2 supervisor shall discuss the matter, upon receipt of the written grievance from the Union, with the aggrieved employee, the Chief Steward and the Steward. The Step 2 Supervisor shall respond within five (5) working days from receipt of the written grievance.

Step 3. The Union shall deliver to the Division Director, or the City Court Clerk, within ten (10) working days of the Step 2 Supervisor's response, written notice (on the grievance form) of its acceptance or rejection of a Step 2 answer. After receipt of such notice, in cases of the Union's rejection of a Step 2 answer, the Division Director, City Court Clerk, or designee shall within ten (10) working days conduct a thorough discussion with the appropriate supervisory personnel, the aggrieved employee, the Union Staff Representative or Union Director, Chapter Chairperson, Chief Steward, and Steward.

Within ten (10) working days thereafter the Division Director, City Court Clerk, or designee shall deliver his answer to the Chapter Chairperson. Appropriate supervisory personnel shall mean those who are named for Step 1 and Step 2 or those who have taken action in the instant grievance.

Any grievance not processed by the Union in accordance with the time limits provided herein shall be considered as acceptance of the answer. If the designated supervisors at any of the grievance steps, or the Division Director, City Court Clerk, or designee fails to respond within time limits provided herein, the grievance shall be considered upheld in favor of the employee and shall be implemented.

Step 4. The Union shall then review the answer of the Division Director, City Court Clerk, or designee and indicate in writing its acceptance or rejection and request

for arbitration if desired, within twenty (20) working days after the rendering of the Division Director's, City Court Clerk's, or designee's written decision, unless extended by mutual agreement. The decision of the Division Director, City Court Clerk, or designee shall be mailed certified mail to the Union office, return receipt requested. The Union, in submitting its request for arbitration, as provided herein, shall send said request, certified mail, to the Mayor, with a copy by regular mail to the Director of Human Resources. Failure of the Union to request arbitration within the time allotted or extended shall be considered acceptance of the decision and the answer of the Division Director, City Court Clerk, or designee shall be considered satisfactory. It is understood that the Local Union President may be involved at both Step 3 and 4. The Union shall have the right to take up suspensions, demotions, and/or discharges within ten (10) working days at Step 3 of the grievance procedure, and the matter shall be handled in accordance with this procedure through the arbitration step if deemed necessary by the Union. All time limits specified above, may be extended by written request by either party if the other party indicates mutual agreement thereto, in writing.

If, within five (5) days after the request for arbitration is made, the Union and City fail to agree upon the appointment of an arbitrator, a request will be made to the American Arbitration Association or the Federal Mediation and Conciliation Service for a list of five (5) arbitrators. The Union and City may select one from the list of arbitrators or if they still cannot agree, the following procedure shall be followed as stated below:

All other decisions shall be reported to the Mayor or his designated appointee of the City of Memphis and to the Union and shall be a matter of public record, and shall be advisory to the Mayor or his designated appointee who is hereby designated by the Mayor to render a final binding decision.

It is agreed that the City shall make available management representatives to testify at the request of the Union when such persons have information involving the action being arbitrated. Unlimited accumulation of sick leave begins from the first day of employment at the following rates:

- 1) One (1) day for each month service during the first five (5) years of service.
- 2) One and one-half (1 ½) days for each month of service for the sixth (6th) through the ninth (9th) year of service.
- 3) Two (2) days for each month of service from the tenth (10th) through the fourteenth (14th) year of service.
- 4) Two and one-half (2 ½) days for each month of service from the fifteenth (15th) year and thereafter.

Sick leave will not accumulate while an employee is absent on sick leave fifteen (15) days or longer, unauthorized absence, or during other leaves of absence, except military leave and/or officially granted educational leave.

Pay for holidays that occur while an employee is on sick leave shall not be charged as holiday. If the active employee does not have accumulated sick leave, he may select to use his holiday as a sick leave day.

Section 1. An employee who becomes ill while on vacation and whose illness is substantiated by a doctor's statement, may upon release by the employee's attending physician, have that portion of vacation which was interrupted by illness rescheduled. It shall be the employee's responsibility to report said illness to his Supervisor at the earliest possible date and present his doctor's statement to his Supervisor upon return to work.

Section 2. It is the responsibility of the employee to see that his immediate Supervisor is notified on the first (1st) and second (2nd) day of his absence due to illness and, if longer than three (3) consecutive work days, on the fourth (4th) day of his absence due to illness, or until a physician's statement is received if illness is beyond three (3) consecutive work days.

An employee who is absent three (3) consecutive work days due to illness shall be required by the City to submit a physician's statement reflecting the physician's signature and the date the employee is expected to return to his job duties.

When sick leave is requested, time will be posted up to a maximum of five (5) days provided a physician's statement is submitted. For pay purposes, a physician's statement must cover all time starting with the third (3rd) consecutive work day of absence. However, if such illness exceeds five (5) working days, the physician's statement covering the illness must be received for continuation of sick leave pay.

Section 3. When an employee enters a hospital and notifies the City of such hospitalization and requests to utilize his sick days, providing he has adequate sick leave accumulated to cover such hospitalization, the City shall, upon notification and request, place him on sick leave status. The employee is required to submit a physician's statement verifying such hospitalization upon his release from the hospital,

or not later than ten (10) days from his date of release. The physician's statement is to reflect the expected date on which the employee can return to his job duties.

Section 5. Proven cases of abuse of the sick leave provisions may result in the employee being denied unjust claims, and appropriate measures taken in accordance with Article 7 of this agreement. Proven cases of abuse may require an employee to submit a physician's statement for a single day absence, such requirements not to exceed three (3) months.

Section 6. Employees shall be compensated in cash for seventy-five (75) days of accumulated unused sick leave upon retirement.

The amount of payment for unused sick leave is to be calculated at the employee's rate of pay in effect on the payday immediately preceding the employee's retirement. Such payment shall not be counted as compensation for retirement.

Section 7. After completion of sixty (60) days of continuous service, an employee who works three (3) consecutive months without sick leave, or any unauthorized absence, will be eligible for one (1) bonus day leave with pay to be taken within twelve (12) months from the date it is earned. Bonus days will be earned in a like manner for subsequent three (3) month periods so that an employee may earn up to four bonus days a year. For bonus day purposes, a three (3) month period will be considered interrupted by the accumulation of six (6) hours absence from work.

It is agreed between the City of Memphis and AFSCME, AFL-CIO, Local 1733 to participate in the Alcohol and Drug Abuse Rehabilitation Program. The City and AFSCME, AFL-CIO, Local 1733 agree that employees being rehabilitated will have an

income while in the program. Employees participating will be entitled to use their accumulated vacation time and sick days.

It is further agreed after exhausting these benefits, the employee may be advanced sick leave benefits to an extent as mutually agreed upon by the Director of Human Resources and the AFSCME, AFL-CIO, Local 1733.

Sick days borrowed will be repaid through future service, or in the event of termination, from wages and benefits due at the time of termination.

The City and AFSCME, AFL-CIO, Local 1733 believe that constructive measures are possible to deal with the problem of alcohol and drug abuse. Toward this end the City of Memphis and AFSCME, AFL-CIO, Local 1733 agree that during the first year of this contract, representatives of the employee assistance program will meet with designated union officers to inform them of the Employee Assistance Program, its objectives and benefits and generally to educate those in attendance about the program.

Section 3. Personal. Regular, full-time City employees will be eligible to receive Leaves of Absence for such personal reasons as marriage, illness of a member of the family, birth or need to care for the employee's child within twelve (12) months of the child's birth, disposal of a family estate, funeral for other than immediate family, or other emergencies, for a period not to exceed thirty (30) days or as provided for under the Family Medical Leave Act. Such leave shall be upon recommendation of the Division Director or City Court Clerk as applicable. Such approval shall not be unreasonably withheld.

reference.

Section 5. Union Business. Union employees selected by the Union to do work which takes them from their employment with the employer shall at the written request of the Union, be granted a leave of absence (not to exceed a total of twenty-five (25) employees). An extension of up to two (2) months may be granted upon recommendation of the employee's physician. The employee shall be reinstated and returned to her job classification and work location upon returning to work at the conclusion of the approved leave period.

Section 7. Summer Training. Reservists and National Guard members being called for the customary two (2) week tour of duty shall be excused on presentation of their orders and shall receive eight (8) hours pay at the regular rate of pay each working day served. Time absent from employment may be counted as vacation time if the employee so desires.

Section 8. Jury and Witness Duty. Regular, full-time and probationary employees shall be granted a leave of absence with pay any time they are required to report for Jury Duty or witness service. Proof of jury service shall be established by submitting a statement from the Jury Commissioner or Clerk of the Court showing the time served.

ARTICLE 14 DEATH IN FAMILY

In the event of a death in the employee's immediate family, full wages will be paid for scheduled days of work from which the employee is necessarily absent because of the death, but not beyond a maximum of three (3) days. Immediate family includes husband, wife, father, mother, brother, sister, son, daughter, mother-in-law, father-in-law, grandmother, grandfather, grandchildren, great-grandparents, grandparents-in-law, brother- or sister-in-law, son- or daughter-in-law, step-parents and properly established foster parents (employee would have to have lived in the household), and legally established foster child currently residing in the employee's home.

Additional time shall be granted as leave without pay, or as paid vacation.

The provisions of this article are subject to the employee submitting verification to his immediate Supervisor of such death in immediate family and employee's relationship to the deceased. Such verification must be submitted immediately or no later than ten (10) calendar days after employee returns to work pursuant to the provisions of this article. Such verification shall be in the form of a copy of the death certificate, program of eulogy, statement from funeral home, newspaper death notice, or other proof. Failure to provide the required verification within ten (10) calendar days after returning to work shall result in the employee being docked for time taken in connection for death in family until such verification is submitted. However, approval for payment provided in this article shall not be unreasonably withheld.

When a death in the immediate family necessarily interrupts an employee's vacation, that portion of the employee's vacation, to a maximum of three (3) days, shall be rescheduled or extended pursuant to the provisions of this Article and Article 10 - Vacations. When such a death in the immediate family interrupts an employee's

vacation and results in the employee necessarily being absent beyond his scheduled vacation, the employee must notify his supervisor prior to the expiration of this scheduled vacation.

ARTICLE 15 DEATH OF AN EMPLOYEE

In the event of the death of a regular permanent employee while employed by the City of Memphis, all accumulated sick days up to seventy-five (75) days, all accrued wages due including allowances for unpaid holidays and vacation time, in addition to ten thousand dollars (\$10,000.00) free life insurance, are to be paid to the person entitled thereto as designated by the employee, or by law.

In addition, the person entitled as designated by law will receive an amount equivalent to the employee's regular wages for one (1) month after all legally required deductions.

ARTICLE 16 SENIORITY

Section 1. Seniority shall be granted to all employees. Seniority shall be determined on the basis of actual length of continuous service from the latest date of permanent employment with the City.

All new employees shall be considered probationary for sixty (60) calendar days from their last date of hire. During such probationary period, employees may be discharged without constituting a breach of this Memorandum, except as provided in the non-discrimination clause. At the end of the employee's probationary period, the employee shall be placed on the seniority list, as of the first day of last employment.

The probationary period may be extended when recommended by the Division Director and approved by the Director of Human Resources and agreed to by the Union.

Section 2. An employee shall be dropped from payroll and lose seniority for the reasons listed below:

1. Quits job.

2. Is absent for three (3) consecutive work days, or in the event the employee is detained by a law enforcement agency for five (5) consecutive work days unless proper notification with reasonably satisfactory reasons is given to his immediate supervisor.
3. Does not report to work for three (3) consecutive work days or in the event the employee is detained by a law enforcement agency, for five (5) consecutive work days after the expiration of a Vacation, or authorized leave of absence unless proper notification with a satisfactory reason is given to his immediate Supervisor.
4. Fails to notify the City within ten (10) working days of the date a recall letter is mailed, stating whether or not the employee intends to report for work after a lay-off. A copy of the recall letter will be sent to the Union office.
5. Is discharged for just cause.
6. Is laid off two (2) years.

Section 3. Lay-off. Lay-off shall begin with those employees having the least seniority. Employees shall be recalled according to seniority in the inverse order of lay-off.

In case of reduction of the force or elimination of a position, lay-off will be made by first laying off probationary employees in a classification. Further reductions will be made by laying off the least senior employees in the affected classification. Such employees may bump employees with less seniority in lower classifications, or in other classifications, in the same grades as listed in this agreement, provided the employees are qualified to perform the work involved, and shall be paid the rate of the classification to which he bumps.

Whenever a vacancy occurs in any of the classifications listed herein and when City employees are to be laid off, or are on lay-off, the City will give first preference to employ or recall laid off employees who can perform the work involved.

The City will make every reasonable effort to secure employment both within City government or within other local government agencies for any laid off employees.

Section 4. The employer may make temporary transfers or assignments or reassign employees to positions covered by this Agreement other than those they

normally perform in order to meet the requirements of the operation of the department.

If the transfer or assignment is to a higher paid classification, the highest senior qualified available employee at a work location must be given first choice for the position. If such temporary vacancy continues for the next day or more, it will be filled by the highest qualified employee at the reporting location.

If the transfer or assignment is to an undesirable position, such assignment will be rotated among employees in inverse order of seniority at the work location.

Any employee temporarily transferred, assigned or reassigned, shall be paid either at his rate of pay or at the rate of pay of the employee he replaces, whichever is highest, from the first hour worked. When transferred, assigned or reassigned to a position not covered by this agreement, the employee shall receive "out of classification" pay consistent with current City policy from the first hour worked.

Temporary transfers shall be for a period of no longer than thirty (30) working days. Any position that requires more than thirty (30) working days of temporary transfer shall be considered an open position and be posted.

Section 5. Notices of all vacancies and/or new jobs will be posted for all personnel on all employee bulletin boards and copies of said vacancies will be sent to the Union Office within three (3) days following the decision to fill the vacancy or establishment of a new job. Employees may make application within ten (10) days at the area location office or City Personnel Office. Bid notices will be posted within twenty-four (24) hours of the date typed on said notice, and remain posted for a ten (10) day period. The City will make every effort to fill the vacancy within five (5) days after the ten (10) day application period; and if unable to do so, shall notify the Union in writing stating the reason.

Section 6. The permanent filling of any vacancy or new job will be on the basis of the senior most qualified (such qualification must be based upon job specific education, training and/or experience). When two or more employees are determined to have the same level of qualifications, then the selection shall be on the basis of seniority. The filling of these positions will be subject to reopening for consideration of those employees who were at the time of the posting on sick leave or military training leave, not to exceed thirty (30) days, or on vacation. Said employees must make application

for the position within three (3) working days after returning to work. Employees will not be denied selection based on membership or participation in any bargaining unit.

Section 7. The agreed-to seniority list shall be provided by the employer on request in accordance to division, districts, and/or department and by classification. Personnel records shall be available during working hours to the employee and/or his designated Union representative. Authorization for a Union representative to see an employee's personnel file without the presence of the employee shall be made in writing by the employee, specifying the information desired.

Section 8. When advancement opportunities occur, they shall be filled in accordance with seniority of qualified personnel by giving preference first to employees in the same classification who wish to transfer to the vacant position at the available work location. The City will provide Transfer Request Forms for all employees, and whenever an employee wishes to request a transfer to a different work location within the same classification, he shall complete the Transfer Request Form, and forward it to the City Personnel Office.

In this manner, the City will first review transfer request and give first preference to any requesting employee who wishes to change work location. If no employee wishes to transfer to the open position, the City will next give preference to employees in lower classifications from among those employees who bid. In the event that no one bids, vacancies shall be filled by other means.

Section 9. Bidding down for positions can only be done at the employee's option, when there is a vacancy.

Section 10. The Officers and Stewards designated in writing, by the Union, shall have super seniority in their respective areas for lay-offs, recalls, and other transfer purposes only during their tenure of office.

It is agreed, however, that the incentive plan for refuse collection crews by collection shall continue in order to permit crews to be released upon completion of their tour assignment of the entire zone but the Union shall have the right to discontinue the above incentive program by notifying the Chief Administrative Officer in writing. All employees shall be granted a thirty (30) minute paid meal period during each work shift and two (2) fifteen (15) minute paid rest periods during each shift. The rest period shall be scheduled during each one-half ($\frac{1}{2}$) shift. The rest period is intended to be a recess to be preceded and followed by a work period. Consequently it may not be used to allow late arrival or early departure or to extend the lunch period.

Section 2. The following language is applicable to the City Court Clerk and Traffic Violations Bureau only:

Eight (8) consecutive hours of work within a twenty-four (24) hour day shall constitute a normal work shift, and a normal schedule of work for full-time employees shall be forty (40) hours per week.

ARTICLE 31 CONTRACTING AND SUBCONTRACTING

The Union recognizes the right of the City to contract or subcontract for any services or materials which it presently contracts or subcontracts.

To show cost efficiency, the City shall provide the Union with a cost benefit analysis showing where the contracting and/or subcontracting would be a best practice for the taxpayers and citizens of the City of Memphis upon the Unions request. Whenever the City intends to contract or sub-contract services of any work performed by bargaining unit members, the City shall, as early as possible give written notice of its intent to the Union. The notice should include information regarding the nature of the work to be done or performed or the services to be provided; the proposed duration and cost of such contracting; and the rationale for such contracting. Upon written request, the City shall meet and confer with the Union over the impact of the proposed contracted services upon the bargaining unit. The City further agrees to make

reasonable efforts to avoid or minimize the impact of any such actions upon bargaining unit employees.

Regular, full-time employees (non-probationary) of the City of Memphis may authorize payroll deductions for the purpose of paying Union Dues. No authorization shall be allowed for the payment of initiation fees, assessments or fines. The procedure which shall be followed by all employees in authorizing deductions of Union dues shall be for each employee to execute a written assignment on the form attached hereto.

In the event the Union members vote to increase Union dues, the Union shall notify the City at least thirty (30) days prior to the effective date of the dues increase. The dues shall be deducted monthly in an amount certified by the Union and the aggregate deductions of all employees shall be remitted together with an itemized statement to the treasurer of the Union by the tenth (10th) day of the succeeding month after such deductions are made.

In addition, the City will submit monthly to the Union a listing of all new employees' names and addresses within the bargaining unit. The Union will indemnify, and hold the City harmless against any claims made and against any suits instituted against the City on account of payroll deduction of Union dues. The Union agrees to refund to the City any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence thereof.

The employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the appropriate Union dues. When a member in good standing of the Union is in non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in non-pay status during only part of the pay period, and the wages are not sufficient to cover the full withholding, no deductions shall be made.

In this connection, all other legal and required deductions have priority over Union dues. However, any employee who executed a written assignment authorizing payroll deduction prior to any authorized leave shall upon returning on payroll have his dues

deducted.

Properly authorized payroll deductions presently being made for items other than dues shall be continued.
