LIBRARY SERVICES

Mission Statement

The City of Memphis Public Libraries mission is to satisfy the need to know by helping customers connect, learn, and grow.

Organization Structure

Services

Since its inception in 1893, Memphis Public Libraries has worked tirelessly to improve equitable access to services, provide literacy and educational opportunities for all ages and learning levels, and to meet the diverse needs of customers. This rich legacy continues today in the form of innovative programming designed to ensure our community's most vulnerable citizens can utilize our vast resources, including traditional library services, targeted community outreach, and digital collections, programs, and resources. In addition, each of our libraries strives to offer programs and resources targeted to the unique needs of their service area. This robust continuum of programming is designed to bring people of all walks of life together for meaningful interactions and educational experiences.

Memphis Public Libraries' overarching goal is to create learning opportunities and service resources that meet the needs of all we serve regardless of age, race, socioeconomic status, gender identity, educational attainment, or sexual orientation.

Performance Highlights

- In light of the COVID-19 outbreak and the Mayor's Safer at Home Order, the Library quickly pivoted to ensure that many essential services continued to meet peoples' needs throughout the community. Library Information Call Center/211 remained in full operation and assisted hundreds of daily callers. From March 1-December 31, Library Information Call Center/211 took a total of 53,562 calls/contacts and made 78,920 referrals, a more than 50% increase in referrals from the same time frame in 2019. Many of the Library's popular programming opportunities were made available virtually on the Library website. An expansion of the Library's e-book collection led to a large increase in online library card registration.
- Throughout the pandemic during library closings, staff stepped up to help the community by Contact Tracing for the Shelby County Health Department, delivering meals for Metropolitan Inter-Faith Association Meals on Wheels, distributing meals with Shelby County Schools and Young Men's Christian Association at library branches, and assisting at the vaccination sites. The Library's TV station, WYPL, also produced the City of Memphis/Shelby County Joint COVID Task Force updates
- Memphis Public Libraries received the 2021 National Medal for Museum and Library Service, which is the nation's highest honor given to museums and libraries that make significant and exceptional contributions to their communities. Memphis Public Libraries was one of three libraries selected and is the first-ever two-time recipient of this prestigious award (2007 and 2021).

Performance Highlights (continued)

- A new Raleigh Branch opened on December 14, 2020, as part of the Raleigh Springs Civic Center. The Library has a 75% increase in space, and includes a demo kitchen, Family Learning Lab for STEAM activities, Community Meeting Room that can be opened after-hours, and more programming for all ages.
- Teen Innovation Centers added to (3) Library branches to keep youth actively learning and engaged with their neighborhood library beyond childhood. An additional (5) Teen Innovation Centers are scheduled to launch in Fiscal Year 2022.

Issues & Trends

Memphis Public Libraries serves more than 2 million people each year, and staff works continuously to improve the breadth of resources available to residents. As a trusted institution that strives to increase access to underserved populations, the Library offers an environment of diversity and inclusion that reaches and engages disenfranchised people across our city and in the highest poverty areas of north and south Memphis. Memphis Public Libraries presents thousands of programs focused on workforce development, STEAM (Science, Technology, Engineering, Arts, & Mathematics), and grade-level reading, especially through the summer with Explore Memphis.

The Library also ensures that all Memphians have access to technology to build 21st century skills and advance in lifelong learning. Because of the significant access barriers faced by many households, Memphis Public Libraries has made strategic community outreach a top organizational priority. Branch staff and the Connect Crew mobile program team conduct outreach to area schools, service providers, and residential facilities to offer programs onsite, as well as to market upcoming library offerings. Memphis Public Libraries has also expanded mobile circulation to take collection items to traditionally underserved communities and host library card sign-up events. Recent efforts have included partnering with local senior living facilities to provide technology and training to increase resource access for older adults. Staff is also working to increase bilingual programs and is translating critical portions of the website into Spanish.
