Question Number	Question	Response
1	I looked at this RFQ and I want to be sure the 27% M/WBE participation does apply to this particular RFQ.	The 27% MWBE participation is an overall program goal. Individual submitters do not have to meet this goal for the purpose of this SOQ. If a particular Task Order assigned to the selected firm lends itself to MWBE participation, the submitter may be requested to propose a team which includes MWBE partners.
