### 3.8 EQUAL BUSINESS OPPORTUNITY (EBO) PROGRAM

Proposer shall provide a complete participation plan or well documented good faith efforts. See the following pages for descriptions and forms.

#### **Equal Business Opportunity Program**

This contract will be subject to the requirements of the City of Memphis Ordinance #5384 which establishes the Equal Business Opportunity ("EBO") Program. It is up to the Respondent to ensure that all requirements of this ordinance are met. The Ordinance may be accessed on the City's website at [www.memphistn.gov](http://www.memphistn.gov) under "Doing Business". The intent of the EBO Program is to increase the participation of locally owned minority and women owned business enterprises ("M/WBE") in the City's purchasing activities. Toward achieving this objective, the M/WBE participation goal for this solicitation is 0%. The percentage of M/WBE participation is defined as the dollar value of subcontracts awarded to certified minority and/or women business enterprises divided by the total proposed base bid amount.

#### **Participation Plan**

The Participation Plan must include: (1) level and dollar amount of participation your firm anticipates achieving in the performance of contract resulting from this RFP; (2) the type of work to be performed

by the M/WBE participation; and (3) the names of the M/WBEs the Respondent plans to utilize in the performance of the contract resulting from this RFP.

#### **Good Faith Efforts Documentation**

If a Respondent proposes an M/WBE percentage less than the established goal, the Respondent must, at the time of the response, submit a Good Faith Efforts statement accompanied by the appropriate documentation justifying its submitted M/WBE percentage. The ability of the Respondent to perform the work with its own work force will not in itself excuse the Respondent from making good faith efforts to meet participation goals. The determination of whether a Respondent has made a good faith effort will be made by the City's Contract Compliance Officer, Director of Finance and the Purchasing Agent, prior to the award of the project.

#### **Eligible M/WBE Firms**

To qualify as an M/WBE firm, per the requirements of City of Memphis Ordinance #5384, a firm must be included on the City's list of certified M/WBE firms. One or a combination of several M/WBEs may be utilized to meet the established goal.

Requests for verification must be submitted to the City's Contract Compliance Office listed below:

RFP recipients that are not selected to progress to the oral presentations likely will be excluded from further consideration.

Contractor shall be solely responsible and liable for any taxes and business license fees assessed or imposed by any government having jurisdiction over the services and/or goods to be provided herein.

**PAYMENT DOES NOT IMPLY ACCEPTANCE OF GOOD/SERVICE.** The payment of an invoice shall not prejudice the City's right to object to or question any invoice or matter in relation thereto. Such payment by the City shall neither be construed as acceptance of the good/service nor as final approval of any of the costs invoiced therein, and the City's payment shall not relieve Contractor from its obligation to replace or correct any good/service that do not conform to this Agreement, even if the unsatisfactory character of such good/service may have been apparent or detected at the time such payment was made. Good/service, data or components that do not conform to the requirements of this Agreement shall be rejected by the City and replaced by Contractor, without delay or additional cost to the City.

If Contractor receives payment from the City for good/service or reimbursement(s) that is later disallowed or rejected by the City (or another governmental entity on the basis of audit or monitoring), Contractor shall promptly refund the disallowed amount to the City upon the City's request. At its option, the City may offset the amount disallowed from any payment due to Contractor under this Agreement or any other agreement.

**FINAL CONTRACT INVOICE.** Contractor shall submit to the City a final contract invoice within 45 calendar days from the termination date of the Agreement, for any goods/services provided pursuant to this Agreement. Contractor further acknowledges and agrees the City will not be responsible for any Contractor invoices, pertaining to this Agreement, submitted to the City after the final contract invoice. Contractor shall close out its accounting records at the end of the Agreement period in such a manner that reimbursable expenditures and revenue collections, related to this Agreement, are NOT carried forward.

## **GENERAL TERMS AND CONDITIONS**

**AMENDMENT.** This Agreement may be modified or amended only by a written amendment executed by all parties hereto and approved by the appropriate City officials in accordance with applicable laws and regulations.

**ASSIGNMENT, SUBCONTRACTING, or TRANSFER.** Contractor shall not subcontract, assign, delegate or transfer all or part of its rights, responsibilities, or interest under this Agreement without the prior written consent of the City. Any purported assignment, transfer, or delegation in violation of this Section shall be voidable by the City. No subcontracting, assignment, delegation or transfer shall relieve Contractor from performance of its duties hereunder; neither shall the City be responsible for the fulfillment of Contractor's obligations to its transferors or subcontractors. Upon request of the City, the subcontracting, assigning, delegating or transferring party shall provide all documents evidencing the transfer. At any time, City may, in its sole discretion, revoke its prior approval of a subcontractor and direct Contractor to replace such subcontractor or perform the services that were being performed by such Contractor itself if the City finds in its reasonable judgment that (i) such subcontractor's performance is materially deficient or otherwise unacceptable to City; (ii) good faith doubts exist concerning the subcontractor's ability to render future performance because of changes in the subcontractor's ownership, management, financial condition, or otherwise; or (iii) there have been one (1) or more material misrepresentations by or concerning the subcontractor. The City reserves the right to terminate the Agreement if Contractor, in whole or in part, is acquired by another entity during the term of this Agreement. In the event Contractor is allowed to sublet any part of the Agreement, Contractor shall be as fully responsible to the City for the acts and omissions of the subcontractor and the subcontractor's employees, as Contractor is responsible for the acts and omissions of Contractor's own employees.

**ASSIGNS.** See **SUCCESSORS.**

**AUDITS.** See **RECORDS.**

**CITY FACILITIES.** Except to the extent otherwise approved by the City in its sole discretion, Contractor shall use any and all items provided by the City for the sole and exclusive purpose of providing the services or for delivery of goods described in this Agreement. Use of City facilities by Contractor does not constitute a leasehold interest in favor of Contractor or Contractor's customers.

Contractor shall use any and all items provided by the City in an efficient manner. To the extent that Contractor utilizes such items provided by the City in any manner that unnecessarily increases facility costs or other costs incurred by the City, City reserves the right to set-off the excess costs of such practices. Contractor shall be responsible for any damage to any and all item(s) provided by the City resulting from the abuse, misuse, or neglect of Contractor, its employees and subcontractors or other failure to comply with its obligations respecting such items provided by the City.

Contractor, its employees and agents shall keep any and all items provided by the City in good order, not commit or permit waste or damage to such items, and not use such items for any unlawful purpose. Contractor shall act and comply with City's standard policies and procedures as made available to Contractor regarding access to and use of such City-provided items, including procedures for the physical security of the City facilities.

Contractor shall permit City and its agents and representatives to enter into those portions of the City facilities occupied by Contractor staff at any time to perform facilities-related services.

Contractor shall not make any improvements or changes involving structural, mechanical or electrical alterations to the City facilities without the City's prior written approval. Any improvements to the City facilities will become the property of the City.

When the City facilities are no longer required for performance of the services described in Exhibit “[@EXHIBIT IDENTIFICATION@]”, Contractor shall return such facilities to the City in substantially the same condition as when Contractor began use of such facilities, subject to reasonable wear and tear.

**CITY LIABILITY.** The City shall have no liability except as specifically provided in this Agreement. The City, by execution of this Agreement, assumes no liability for damages caused to persons or property by reason of Contractor providing goods or services herein or for injury to any employee, agent or subcontractor of the Contractor performing under this Agreement.

**CITY'S RIGHT TO WITHHOLD CERTAIN AMOUNTS AND MAKE APPLICATION THEREOF.** If evidence is produced before the final settlement of all or any balances that Contractor has failed to pay subcontractors, laborers employed on its work, or failed to pay for materials used therein, or if the City has reason to suspect the same, the City may withhold such balances and upon evidence satisfactory to the City as to the amount due for such goods, labor, and materials, the City, acting as the agent of Contractor, may settle and pay for the same and charge the amounts to Contractor and deduct the same from the said balance or balances.

**COMPANY'S/CONTRACTOR'S PERSONNEL.** (This paragraph/section is applicable only to purchase of services contracts). Contractor certifies that it presently has adequate qualified personnel to perform all services required under this Agreement and that all services performed under this Agreement shall be supervised by Contractor. Contractor will make its personnel aware of and cause them to comply with the City's policies that have been made known to Contractor while performing pursuant to this Agreement. Contractor further certifies that all of its employees assigned to perform any services hereunder shall have such knowledge and experience as required to perform the duties assigned to them. Any employee of Contractor who, in the opinion of the City, is incompetent, whose conduct becomes detrimental to the services, or whom the City deems to be unsatisfactory for any reason, shall immediately be removed from association with the services hereunder per the City's request. Upon such request, Contractor shall use all reasonable efforts to promptly replace such employee(s) with substitute employee(s) having appropriate skills and training. Contractor is responsible for the acts or omissions of its personnel under or relating to this Agreement.

Contractor shall be solely liable and responsible for providing all employee compensation and benefits to, or on behalf of, all persons performing services pursuant to this Agreement. The City shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, health, welfare and disability benefits, federal and local taxes, or other compensation, benefits or taxes for any personnel provided on behalf of Contractor. In addition, Contractor shall be solely liable and responsible for any and all workers' compensation benefits to any person as a result of injuries arising from or connected with any services performed by or on behalf of Contractor pursuant to this Agreement.

**CONFIDENTIALITY.** Subject to the open records laws of the State of Tennessee, while performing under this Agreement, the parties may gain access to proprietary and/or confidential information that, if disclosed to third parties, may be damaging to each other. The parties agree not to disclose such information to third parties and shall take all reasonable steps to prevent unauthorized access to any of each other's confidential and proprietary information. Such information shall include, but shall not be limited to, materials considered to be confidential information as a matter of law (*e.g.*, personnel records), and shall also include (i) all materials in any form developed or created by each party related to funding and financial and business information; (ii) all information owned, possessed or used by a party, which is communicated to, learned, developed or otherwise acquired by that party in the performance of this Agreement; (iii) the terms, conditions and pricing contained herein; and (iv) any other information that has been advised by a party is confidential, privileged or proprietary. Confidential information, as used in this Agreement, shall not include (i) information in a party's possession prior to disclosure; (ii) information generally available to the public or that becomes available to the public through a source other than a party under this agreement, or (iii) information that was rightfully obtained by a party from a third party who is under no obligation of confidentiality to either party to this Agreement with respect to such information. Each party agrees that it will accept and hold confidential information obtained from each other in confidence at all times during and after termination of this Agreement. A party shall neither use nor disclose such information, except as provided in this Agreement or as required by law, without the prior written permission of affected

party.

Subject to the open record laws of the State of Tennessee, each party acknowledges and agrees that a breach of this section may cause the affected party irreparable injury and damage; therefore, each party expressly agrees that the affected party shall be entitled to seek injunctive or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement. Each party agrees that it will disclose confidential information only to those employees who have a right and need to know, and shall require its employees, agents, and subcontractors to comply with the requirements of this provision and the requirements of the provisions herein titled "Public Statements" and "Rights in Data."

**CONFLICT OF INTEREST.** Neither party shall engage in any conduct or activity in the performance of this Agreement that constitutes a conflict of interest under applicable federal, state or local laws, rules and regulations. Contractor covenants that it has no public or private interest, and shall not acquire any interest, directly or indirectly, which would conflict in any manner with the performance required under this Agreement, and Contractor covenants that no gratuities, in the form of entertainment, gifts, or otherwise, were offered or given by Contractor or any agent or representative of Contractor, to any officer, official, agent or employee of the City, in an effort to secure the Agreement or favorable treatment with respect to any determinations concerning the performance of the Agreement. Contractor warrants that no part of the total contract amount provided herein shall be paid directly or indirectly to any officer or employee of the City as wages, compensation, or gifts in exchange for acting as officer, agent, employee, subcontractor or consultant to Contractor in connection with anything contemplated or performed relative to this Agreement. For breach or violation of this provision, the City shall have the right to recover or withhold the full amount of such gratuities.

**COUNTERPARTS.** This Agreement may be signed in multiple counterparts and/or counterpart signature pages, each of which shall be deemed an original, and all of which when taken together shall constitute one and the same instrument.

**COVENANT AGAINST CONTINGENT FEES.** Contractor warrants that it has not employed or retained any company or person other than a *bona fide* employee working solely for Contractor, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a *bona fide* employee working solely for Contractor any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this provision/warranty, the City shall have the right to recover the full amount of such fee, commission, percentage, brokerage fee, gift, or other consideration.

**DEBARRED OR SUSPENDED ENTITIES.** By signing this Agreement, Contractor certifies

that it is not presently listed by any federal agency as debarred, suspended, or proposed for debarment from any federal contract activity. If during the term of this Agreement this information changes, Contractor shall notify City without delay. Such notice shall contain all relevant particulars of any debarment, suspension, or proposed debarment.

**DESCRIPTION OF GOODS / SCOPE OF SERVICES.** See **SCOPE OF SERVICES.**

**DISPUTE RESOLUTION.** In the event of any dispute, controversy, or claim arising out of or relating to this Agreement or the breach thereof, the parties agree that they shall first use their best efforts in an attempt to settle the dispute through negotiations involving themselves or their representatives as they each deem appropriate. Any dispute concerning a question of fact in connection with this Agreement between Contractor and the City shall be referred in successive order for resolution, first to the City's Chief Procurement Officer/Purchasing Agent, second to the City's Chief Legal Officer/City Attorney, and thirdly to the Mayor of the City of Memphis, whose decision regarding the City's position as to the same shall be final.

**DRAFTER.** This Agreement is the result of arm's-length negotiations between the parties and shall be construed to have been drafted by all parties such that any ambiguities in this Agreement shall not be construed against either party.

**DUE DILIGENCE AND NON-RELIANCE.** Contractor represents, warrants and covenants that it has had opportunity to conduct, and has conducted, due diligence with respect to this Agreement, and all other items and conditions it deems necessary to conclude this Agreement, and Contractor represents, warrants and covenants that it has not relied upon any written or oral statement of City or its employees, directors, officers, consultants, attorneys or any elected or appointed officials in executing this Agreement.

In the event Contractor fails to comply with any and all local, state and federal laws prohibiting the employment of individuals not legally authorized to work in the United States, this Agreement may be canceled, terminated or suspended in whole or in part by the City, and Contractor may be prohibited from contracting to supply goods

and/or services to the City for a period of one (1) year from the date of discovery of the usage of illegal immigrant services in the performance of a contract with the City.

**ENTIRE AGREEMENT.** This Agreement, together with all exhibits, attachments, and addendums hereto (if applicable), constitutes the full and final understanding of the parties with respect to the subject matter hereof and supersedes and replaces any and all prior or contemporaneous agreements or understandings, whether written or oral, express or implied, between the parties with respect to the subject matter of the Agreement.

**FORCE MAJEURE.** Neither the City nor Contractor shall be deemed in default hereunder, nor shall either be responsible for any delay, interruption, or cessation in the performance of its obligations under this Agreement where such failure of performance is the result of any *force majeure* event, including, but not limited to, acts of God, riots, wars, strikes, epidemics, acts, governmental authorities or acts of nature or other similar cause beyond its control. Both shall put forward its best efforts to mitigate any delay, interruption, or cessation in the performance of its obligations under this Agreement related to said *force majeure* event.

The City reserves the right to appoint its own counsel regarding any matter defended hereunder. Contractor acknowledges that the City has no obligation to provide legal counsel or defense to Contractor, its employees or subcontractors in the event that a suit, claim or action of any character is brought by any person not a party to this Agreement against Contractor as a result of or relating to obligations under this Agreement. The City shall have no obligation for the payment of any judgments or the settlement of any claims asserted against Contractor or its subcontractors or employees as a result of or relating to Contractor's obligations hereunder.

**INDEPENDENT CONTRACTORS.** Nothing in this Agreement shall be deemed or construed to represent that Contractor, or any of Contractor's employees or agents, are the agents, representatives, or employees of the City. Contractor acknowledges that it is an independent contractor over the details and means for performing this Agreement. Anything in this Agreement which may appear to give the City the right to direct Contractor as to the details of the performance of its obligations hereunder or to exercise a measure of control over Contractor is solely for purposes of compliance with local, state and federal regulations and means Contractor will follow the desires of the City only as to the intended results of the scope of this Agreement.

In any such case where City's failure to perform is due to some negligent act, omission, or failure to perform on Contractor's part, Contractor agrees to pay or reimburse City for such assessments and City may deduct same from any Contractor's invoices as applicable. In any such case where Contractor is assessed penalties, such penalties will not exceed the corresponding amount for which the City is penalized due to Contractor's negligent act, omission, or failure to perform.

Contractor shall retain such records, and shall make same available to the City, upon reasonable request, during the term of this Agreement, and for a minimum period of seven (7) full years after completion of the contract obligations or from the date of final payment under this Agreement, whichever is later. In the event any litigation, claim or audit is instituted prior to the expiration of the required five-year retention period, such records shall be retained until such litigation, claim or audit finding has been resolved.

The remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by such unlawful, invalid or unenforceable provision or by its severance herefrom. Furthermore, in lieu of such unlawful, invalid, or unenforceable provision, there shall be added as a part of this Agreement, upon good-faith negotiation by the parties, a provision as similar in terms to such unlawful, invalid or unenforceable provision as may be possible, and still be legal, valid and enforceable. In the event of such termination, Contractor shall be entitled to receive just and equitable compensation for any satisfactory work performed up to the termination date. Such termination by the City shall not be deemed a breach of contract by the City, and Contractor shall have no right to any actual, general, specific, incidental, consequential, or any other damages whatsoever of any description or amount that have not been earned as of the date of termination.

**SUCCESSORS.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns.

In the event of such termination, Contractor shall be entitled to receive just and equitable compensation, as determined by the City, for any satisfactory authorized work performed in accordance with the Agreement up to the termination date; but in no event shall the City be liable to Contractor for expenses incurred after the termination date.

**TERMINATION OF PRIOR AGREEMENTS.** See **ENTIRE AGREEMENT.**

**WAIVER OF CONTRACTUAL RIGHT.** No term or provision of this Agreement, or of any document executed pursuant hereto, shall be held to be waived, modified or deleted unless in writing and executed by the parties hereto; provided that any such waiver shall not be identified as a waiver of any succeeding breach hereto or of any other provision herein contained. No delay or failure of either to enforce any right or provision of this Agreement or in any document executed pursuant hereto shall operate as a waiver, limitation, or relinquishment of that party(s) right to subsequently enforce and compel strict compliance with such provision and/or any other provision herein or in any document related hereto. Parties acknowledge that some Agreement provisions may be inapplicable to the scope of work or goods that are germane to this Agreement. Parties waive no rights or remedies where the provisions are applicable.

No consent or waiver, express or implied, by either party to or of any breach or default by the other in the performance of any of its obligations shall be deemed or construed to be a consent or waiver to or of any other breach or default by such party. Failure on the part of either party to complain of any act or failure to act of the other party or to declare the other party in default, irrespective of how long such failure continues, shall not constitute a waiver of the rights of such party.
