The City shall be given a copy of the results of the drug test.
 - c. As new employees are hired the contractor will follow the guidelines listed above to ensure any new employees pass a background check as well as drug screen prior to starting work at any City of Memphis properties.
2. **BID BOND REQUIRED** – A bidder’s bond or certified check on a solvent bank payable to the City of Memphis in the amount of 5% of the bid must accompany the proposal. Said instrument to remain in effect until (and will be returned only after) the contract has been fully executed and secured.
3. **CONTRACTOR:** The contractor will have 30 DAYS in which to bring about an acceptable level of cleanliness that the Contractor and the Building Manager agree upon. - b. Each of these calls shall have a nuisance value of \$100.00 but this amount will not be deducted from the Contractors monthly billing until a third (3rd) complaint for any floor, or the third (3rd) complaint about restrooms has been investigated, verified and the Contractor notified. This third (3rd) complaint for any said floor, or restrooms, shall cause the City to have \$300.00 deducted from the monthly billing of the Contractor. Any complaints over and above the third complaint on a particular floor or restrooms, will cause the City to have \$200.00 deducted from the monthly billing for each of these additional complaints.
- c. After each month or each 30 days, the accumulation of complaints will be stopped, and the new month or 30-day period will start over again. The Contractor could have as many as 30 such complaints, for example (9 floors with 3 complaints each and the restrooms with 3 complaints) before liquidated damages are deducted and then these accumulated complaints will be dismissed at the end of each monthly period.

This includes advance written travel authorization, submission of travel claims, documentation requirements, and reimbursement rates. No travel advances will be made by the City.

TAX PAYMENTS. The City of Memphis is exempt from federal excise, state and local taxes on all purchases and upon request will issue tax exemption certificates to Contractor. Contractor shall be solely responsible and liable for any taxes and business license fees assessed or imposed by any government having jurisdiction over the services and/or goods to be provided herein.

PAYMENT DOES NOT IMPLY ACCEPTANCE OF GOOD/SERVICE. The payment of an invoice shall not prejudice the City's right to object to or question any invoice or matter in relation thereto. Such payment by the City shall neither be construed as acceptance of the good/service nor as final approval of any of the costs invoiced therein, and the City's payment shall not relieve Contractor from its obligation to replace or correct any good/service that do not conform to this Agreement, even if the unsatisfactory character of such good/service may have been apparent or detected at the time such payment was made. Good/service, data or components that do not conform to the requirements of this Agreement shall be rejected by the City and replaced by Contractor, without delay or additional cost to the City.

If Contractor receives payment from the City for good/service or reimbursement(s) that is later disallowed or rejected by the City (or another governmental entity on the basis of audit or monitoring), Contractor shall promptly refund the disallowed amount to the City upon the City's request. At its option, the City may offset the amount disallowed from any payment due to Contractor under this Agreement or any other agreement.

FINAL CONTRACT INVOICE. Contractor shall submit to the City a final contract invoice within 45 calendar days from the termination date of the Agreement, for any goods/services provided pursuant to this Agreement. Contractor further acknowledges and agrees the City will not be responsible for any Contractor invoices, pertaining to this Agreement, submitted to the City

after the final contract invoice. Contractor shall close out its accounting records at the end of the Agreement period in such a manner that reimbursable expenditures and revenue collections, related to this Agreement, are NOT carried forward.

ASSIGNMENT, SUBCONTRACTING, or TRANSFER. Contractor shall not subcontract, assign, delegate or transfer all or part of its rights, responsibilities, or interest under this Agreement without the prior written consent of the City. Any purported assignment, transfer, or delegation in violation of this Section shall be voidable by the City. No subcontracting, assignment, delegation or transfer shall relieve Contractor from performance of its duties hereunder; neither shall the City be responsible for the fulfillment of Contractor's obligations to its transferors or subcontractors. Upon request of the City, the subcontracting, assigning, delegating or transferring party shall provide all documents evidencing the transfer. At any time, City may, in its sole discretion, revoke its prior approval of a subcontractor and direct Contractor to replace such subcontractor or perform the services that were being performed by such Contractor itself if the City finds in its reasonable judgment that (i) such subcontractor's performance is materially deficient or otherwise unacceptable to City; (ii) good faith doubts exist concerning the subcontractor's ability to render future performance because of changes in the subcontractor's ownership, management, financial condition, or otherwise; or (iii) there have been one (1) or more material misrepresentations by or concerning the subcontractor. The City reserves the right to terminate the Agreement if Contractor, in whole or in part, is acquired by another entity during the term of this Agreement. In the event Contractor is allowed to sublet any part of the Agreement, Contractor shall be as fully responsible to the City for the acts and omissions of the subcontractor and the subcontractor's employees, as Contractor is responsible for the acts and omissions of Contractor's own employees.

Use of City facilities by Contractor does not constitute a leasehold interest in favor of Contractor or Contractor's

customers.

Contractor shall use any and all items provided by the City in an efficient manner. To the extent that Contractor utilizes such items provided by the City in any manner that unnecessarily increases facility costs or other costs incurred by the City, City reserves the right to set-off the excess costs of such practices. Contractor shall be responsible for any damage to any and all item(s) provided by the City resulting from the abuse, misuse, or neglect of Contractor, its employees and subcontractors or other failure to comply with its obligations respecting such items provided by the City.

Contractor, its employees and agents shall keep any and all items provided by the City in good order, not commit or permit waste or damage to such items, and not use such items for any unlawful purpose. Contractor shall act and comply with City's standard policies and procedures as made available to Contractor regarding access to and use of such City-provided items, including procedures for the physical security of the City facilities.

Contractor shall permit City and its agents and representatives to enter into those portions of the City facilities occupied by Contractor staff at any time to perform facilities-related services.

Contractor shall not make any improvements or changes involving structural, mechanical or electrical alterations to the City facilities without the City's prior written approval. Any improvements to the City facilities will become the property of the City.

When the City facilities are no longer required for performance of the services described in Exhibit “[@EXHIBIT IDENTIFICATION@]”, Contractor shall return such facilities to the City in substantially the same condition as when Contractor began use of such facilities, subject to reasonable wear and tear.

CITY LIABILITY. The City shall have no liability except as specifically provided in this Agreement. The City, by execution of this Agreement, assumes no liability for damages caused to persons or property by reason of Contractor providing goods or services herein or for injury to any employee, agent or subcontractor of the Contractor performing under this Agreement.

CITY'S RIGHT TO WITHHOLD CERTAIN AMOUNTS AND MAKE APPLICATION THEREOF. If evidence is produced before the final settlement of all or any balances that Contractor has failed to pay subcontractors, laborers employed on its work, or failed to pay for materials used therein, or if the City has reason to suspect the same, the City may withhold such

balances and upon evidence satisfactory to the City as to the amount due for such goods, labor, and materials, the City, acting as the agent of Contractor, may settle and pay for the same and charge the amounts to Contractor and deduct the same from the said balance or balances.

COMPANY'S/CONTRACTOR'S PERSONNEL. (This paragraph/section is applicable only to purchase of services contracts). Contractor certifies that it presently has adequate qualified personnel to perform all services required under this Agreement and that all services performed under this Agreement shall be supervised by Contractor. Contractor will make its personnel aware of and cause them to comply with the City's policies that have been made known to Contractor while performing pursuant to this Agreement. Contractor further certifies that all of its employees assigned to perform any services hereunder shall have such knowledge and experience as required to perform the duties assigned to them. Any employee of Contractor who, in the opinion of the City, is incompetent, whose conduct becomes detrimental to the services, or whom the City deems to be unsatisfactory for any reason, shall immediately be removed from association with the services hereunder per the City's request. Upon such request, Contractor shall use all reasonable efforts to promptly replace such employee(s) with substitute employee(s) having appropriate skills and training. Contractor is responsible for the acts or omissions of its personnel under or relating to this Agreement.

Contractor shall be solely liable and responsible for providing all employee compensation and benefits to, or on behalf of, all persons performing services pursuant to this Agreement. The City shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, health, welfare and disability benefits, federal and local taxes, or other compensation, benefits or taxes for any personnel provided on behalf of Contractor. In addition, Contractor shall be solely liable and responsible for any and all workers' compensation benefits to any person as a result of injuries arising from or connected with any services performed by or on behalf of Contractor pursuant to this Agreement.

Agreement with respect to such information. Each party agrees that it will accept and hold confidential information obtained from each other in confidence at all times during and after termination of this Agreement. A party shall neither use nor disclose such information, except as provided in this Agreement or as required by law, without the prior written permission of affected party.

Subject to the open record laws of the State of Tennessee, each party acknowledges and agrees that a breach of this section may cause the affected party irreparable injury and damage; therefore, each party expressly agrees that the affected party shall be entitled to seek injunctive or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement. Contractor warrants that no part of the total contract amount provided herein shall be paid directly or indirectly to any officer or employee of the City as wages, compensation, or gifts in exchange for acting as officer, agent, employee, subcontractor or consultant to Contractor in connection with anything contemplated or performed relative to this Agreement. For breach or violation of this provision, the City shall have the right to recover or withhold the full amount of such gratuities.

COUNTERPARTS. This Agreement may be signed in multiple counterparts and/or counterpart signature pages, each of which shall be deemed an original, and all of which when taken together shall constitute one and the same instrument.

COVENANT AGAINST CONTINGENT FEES. For breach or violation of this provision/warranty, the City shall have the right to recover the full amount of such fee, commission, percentage, brokerage fee, gift, or other consideration.

In any such case where Contractor is assessed penalties, such penalties will not exceed the corresponding amount for which the City is penalized due to Contractor's negligent act, omission, or failure to perform.

PRECEDENCE. In the event of any inconsistency between the terms or provisions expressed in this Agreement, and any term or provision in any of the other contract documents, the order of precedence shall be as follows: (1) this Agreement, including all Exhibits, except that all general terms and conditions contained in the main body of this Agreement shall control over any

Any such reports provided to the City shall be prepared with the understanding that the City may make such reports available to the public.

In addition, Contractor shall submit and, as necessary, update subcontractor information (including but not limited to payments thereto), for **any and all subcontractors** used on City project(s) via the purchase of goods or services, in the City's compliance tracking software, B2GNow. The City shall have the right to withhold future disbursement of funds under this Agreement and any future agreements until the requirements of this provision have been met.

RIGHTS IN DATA / SOFTWARE. Contractor agrees that all reports, studies, plans, models, drawings, specifications, and any other information or data of any type relating to its activities under this Agreement, whether or not the same is accepted or rejected by City, shall remain the property of City and shall not be used or published by Contractor or any other party without the express prior consent of City. Software development, if any, specifically developed as part of this Agreement shall be the intellectual property of City. Contractor recognizes that said data including software development, if any, specifically developed as part of this Agreement shall be the intellectual property of City and is the exclusive property of the City and that the City reserves the right to use, market, license, or sell it to others.

Contractor shall obtain assurances similar to those contained in this subsection from persons, contractors and subcontractors retained by Contractor. Contractor acknowledges and agrees that a breach by Contractor of the provisions of this section will cause the City irreparable injury and damage. Contractor, therefore, expressly agrees that the City shall be entitled to injunctive or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement.

SERVICE MARKS. Contractor agrees that it shall not, without City's prior written consent, use the name, service mark or trademarks of the City.

SEVERABILITY. If any terms or provisions of this Agreement are held to be unlawful, invalid or unenforceable under any present or future laws, such provision shall be fully severable; and this Agreement shall then be construed and enforced as if such unlawful, invalid or unenforceable provision had not been a part hereof. The remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by such unlawful, invalid or unenforceable provision or by its severance herefrom. Furthermore, in lieu of such unlawful, invalid, or unenforceable provision, there shall be added as a part of this Agreement, upon good-faith negotiation by the parties, a provision as similar in terms to such unlawful, invalid or unenforceable provision as may be possible, and still be legal, valid and enforceable. Parties acknowledge that some Agreement provisions may be inapplicable to the scope of work or goods that are germane to this Agreement. Parties waive no rights or remedies where the provisions are applicable.

SHIPMENTS. (This paragraph/section is applicable only to purchase of goods contracts). Substitutions will not be accepted, unless otherwise specified herein. Partial shipments may be allowed unless otherwise stated in writing by City, however, full shipment of all items ordered hereunder must be completed by the date specified in this Agreement or this Agreement will be subject to cancellation by the City. Contractor shall not ship excess quantities without the City's prior written approval.

STANDARD OF PERFORMANCE. All services by Contractor shall be performed in compliance with the specified requirements, in a manner satisfactory to the City, and in accordance with the generally accepted business practices and procedures of the City and pursuant to the governing rules, practices and regulations of the industry for the type of work performed under this Agreement.

SUBCONTRACTING. See **ASSIGNMENT**.

SUBJECT TO FUNDING. This Agreement is subject to availability and annual appropriation of funds by the Memphis City Council. In the event sufficient funds for this Agreement are not available or appropriated by the Memphis City Council for any of its fiscal period during the term hereof, then the City shall immediately terminate this Agreement upon written notice to Contractor. In the event of such termination, Contractor shall be entitled to receive just and equitable compensation for any satisfactory work performed up to the termination date. Such termination by the City shall not be deemed a breach of contract by the City, and Contractor shall have no right to any actual, general, specific, incidental, consequential, or any other damages whatsoever of any description or amount that have not been earned as of the date of termination.

SUCCESSORS. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns.

SURVIVAL. The parties hereto acknowledge that provisions that require or contemplate performance or observance after expiration or termination of this Agreement shall survive the expiration or termination of this Agreement and continue in full force and effect.

TERMINATION: Termination of this Agreement with or without cause.

1. It shall be cause for the immediate termination of this Agreement if, after its execution, the City determines that either:
 - a. Contractor or any of its principals, partners or corporate officers, if a corporation, including the corporation itself, has pleaded *nolo contendere*, or has pleaded or been found guilty of a criminal violation, whether state or federal, involving, but not limited to, governmental sales or purchases, including but not limited to the rigging of bids, price fixing, misappropriation of government funds, or any other collusive and illegal activity pertaining to bidding and governmental contracting; or
 - b. Contractor subcontracted, assigned, delegated, or transferred its rights, obligations or interests, voluntarily or involuntarily, under this Agreement without the City's consent or approval; or
 - c. Contractor has filed for bankruptcy, has been adjudicated bankrupt, become insolvent or made an assignment for the benefit of creditors, or a receiver or similar officer is appointed to take charge of all or part of Contractor's assets.
2. The City may cancel/terminate this Agreement, in whole or in part, upon providing written notice to Contractor of the City's intention to terminate the Agreement as a result of Contractor's failure to provide the goods and/or services specified under this Agreement or in violation(s) of any of the terms herein, and Contractor has failed to cure such breach within ten (10) calendar days of such notice. The City may reject the goods and/or services and cancel this Agreement for any goods/services rendered or to be rendered hereunder. At its option, City may return the rejected portion of such goods to Contractor at its expense or hold the same for such disposal as Contractor shall indicate. In the event of any such rejection/termination, the City shall, at the City's option, have the right to obtain like goods and/or services elsewhere or to take over the work and prosecute the same to completion, both at Contractor's expense; and in such event, the City may take possession of and utilize in completing the work, such materials, appliances, etc. as may be on the site of the work and necessary therefore. Contractor shall be liable to the City for any loss, damage, or additional cost incurred thereby, including but not limited to any difference between the cost for procuring such like services and the price specified herein, attorneys' fees and court costs.
3. Notwithstanding the foregoing or any section herein to the contrary, Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the Agreement by Contractor, and the City may withhold any payments to Contractor, for the purpose of setoff, until such time as the exact amount of damages due the City from Contractor is determined.
4. The City may, in its sole discretion, suspend and/or terminate this Agreement for

convenience upon giving thirty (30) calendar days' prior written notice to Contractor. In the event a purported termination for cause by the City is in error, then such termination may, at the City's sole discretion, be deemed to be a termination for convenience under this section. In the event of such termination, Contractor shall be entitled to receive just and equitable compensation, as determined by the City, for any satisfactory authorized work performed in accordance with the Agreement up to the termination date; but in no event shall the City be liable to Contractor for expenses incurred after the termination date.

5. Contractor shall deliver to the City all hard copy and electronic files maintained on behalf of the City within thirty (30) calendar days of termination of this Agreement. Upon reasonable request, the City reserves the right to obtain such information prior to the termination of this Agreement.
6. All goods accepted by City or services completed by Contractor prior to the termination date shall be documented and all tangible work documents shall be transferred to the City prior to payment for services rendered and shall become the sole property of the City. Such termination by the City shall not be deemed a breach of contract by the City, and Contractor shall not be compensated for any anticipatory profits, or other damages of any description, that have not been earned as of the date of termination.

TERMINATION OF PRIOR AGREEMENTS. See **ENTIRE AGREEMENT**.

THIRD PARTY BENEFICIARY: This Agreement is entered into solely between, and may be enforced only by, City and Contractor. Unless otherwise specified herein, this Agreement shall not be deemed to create any rights in third parties, including suppliers or customers of either party.

TITLE & RISK. (This paragraph/section is applicable only to purchase of goods contracts). The title and risk of loss of any goods hereunder shall not pass to the City until the City actually receives and takes possession of the goods at the point or points of delivery. Contractor shall assume all liability and responsibility for delivery of such goods in good condition to the City.

TRANSFER. See **ASSIGNMENT**.

TRANSPORTATION CHARGES/F.O.B. DELIVERY. (This paragraph/section is applicable only to purchase of goods contracts). All pricing is F.O.B. destination, in which Contractor shall be responsible for freight, transportation costs, and all incidental charges, unless delivery terms are specified otherwise in the bid and agreed to by the City. In the event shipping other than F.O.B destination is allowed by the City, the City agrees to reimburse Contractor for transportation costs in the amount specified in Contractor's bid, or actual costs,

whichever is lower, provided the City shall have the right to designate what method of transportation shall be used to ship the goods.

WAIVER OF CONTRACTUAL RIGHT. No term or provision of this Agreement, or of any document executed pursuant hereto, shall be held to be waived, modified or deleted unless in writing and executed by the parties hereto; provided that any such waiver shall not be identified as a waiver of any succeeding breach hereto or of any other provision herein contained. No delay or failure of either to enforce any right or provision of this Agreement or in any document executed pursuant hereto shall operate as a waiver, limitation, or relinquishment of that party(s) right to subsequently enforce and compel strict compliance with such provision and/or any other provision herein or in any document related hereto. Parties acknowledge that some Agreement provisions may be inapplicable to the scope of work or goods that are germane to this Agreement. Parties waive no rights or remedies where the provisions are applicable.

No consent or waiver, express or implied, by either party to or of any breach or default by the other in the performance of any of its obligations shall be deemed or construed to be a consent or waiver to or of any other breach or default by such party. Failure on the part of either party to complain of any act or failure to act of the other party or to declare the other party in default, irrespective of how long such failure continues, shall not constitute a waiver of the rights of such party.

The enforcement by any party of any right or remedy it may have under this Agreement or applicable law shall not be deemed an election of remedies or otherwise prevent such party from enforcement of one or more other remedies at any time.

WARRANTY. Contractor warrants to the City that all goods/services shall be free from defects in design and faulty or improper materials and/or workmanship, shall be in strict compliance with the terms of this Agreement and shall be fit and sufficient for the purpose intended or shall have met the particular specification of the solicitation or the accepted Contractor response relating to this Agreement. This warranty shall be effective for a period of not less than one year from the date of acceptance by the City of such goods and/or services as satisfactorily complete, and shall be in addition to all other warranties, express, implied or statutory. The warranty shall survive the termination or expiration of this Agreement.
